Counsel,

As there is no opposition to keeping the confidential information sealed, the Board will issue an order granting Patent Owner's request. No motion is necessary.

Subject: IPR2024-01436, -01437, -01438, and -01439

Dear Board,

Counsel for Patent Owner writes to request authorization to file a motion for confidential information to remain under seal pending director review and potential appeal in IPR2024-01436, IPR2024-01437, IPR2024-01438, and IPR2024-01439. "Confidential information that is subject to a protective order ordinarily would become public 45 days after denial of a petition to institute a trial or 45 days after final judgment in a trial." (PTAB Consolidated Trial Practice Guide). Patent Owner's request for Director Review is pending, and the deadline to file a Notice of Appeal has not expired. The confidential information submitted in this proceeding remains pertinent to the request for Director Review and will be similarly relevant to any appeal (if necessary). Therefore, Patent Owner seeks authorization to file a motion for the confidential information to remain under seal until 45 days after (1) the final disposition of any appeal or remand proceeding from any appeal or request for director review, or (2) the deadline for filing a notice of appeal, whichever is later. To the extent a motion is necessary, Patent Owner requests a paper of three pages to brief this request and does not oppose a paper of equal length from Petitioner.

Petitioner has indicated that it does not oppose the extension of the 45-day deadline.

Best regards,

Erik
