What is ClickShare?

ClickShare is an [award-winning wireless meeting room system](#) for easy video conferencing, collaboration and presentation. It connects your laptop to the audio and video equipment of your conference room, so you can start your meeting in under 7 seconds with one click via the ClickShare Button or App.

ClickShare comes in three ranges: [wireless conferencing](#) solutions for effortless hybrid collaboration, [all-in-one video bars](#) for sharp views and clear audio in hybrid meetings, and [wireless presentation](#) solutions for content sharing in face-to-face meetings.
