12:50:22 1 encryption protocol like we talked about earlier,
12:50:27 2 WPA, correct?

12:50:30 3 A That would be probably the one or more
12:50:34 4 touchpoints in the confines of my laptop here.

12:52:10 21 know in at least a lot of my other travels of
12:52:13 22 presenting, et cetera, the solutions were not -- not
12:52:17 23 as elegant as the solution we've talked about today.

12:52:22 24 Q Have you been concerned that the other
