Ex-1092	Defendants’ Notice of Withdrawal of Their Motion for Ongoing Royalty

Petitioner provides this non-argumentative update that it has withdrawn its Opposed Motion for Ongoing Royalty filed in the related litigation *Barco, Inc. et al. v. Yealink (USA) Network Technology Co., Ltd. et al.*, C.A. No. 23-cv-521 (E.D. Tex.). Petitioner's notice of withdrawal, D.I. 271, is submitted as Ex-1092.

Petitioner's Opposed Motion for Ongoing Royalty, Ex-2036, is at the center of Patent Owner's supplemental information filed on January 28, 2026. *See* Paper No. 59. It is also mentioned no fewer than nine times in Patent Owner's Request for Director Review. *See* Paper No. 63 at 1, 3, 4, 8, 9, 10, 11, 12.

As Petitioner explained in its Notice of Withdrawal, because the Board “found 35 asserted claims across four asserted patents, including 8 of the 10 asserted independent claims, unpatentable in four Final Written Decisions,” and the USPTO “ordered reexamination of all Asserted Claims not challenged in IPRs,” the assumptions underlying its Motion for Ongoing Royalty “no longer hold” and Petitioner no longer seeks any ongoing royalty. *See* Ex-1092 at 1, 2.

Petitioner respectfully submits its Notice of Withdrawal is relevant to at least Patent Owner's Request for Director Review and warrants consideration. Petitioner also respectfully notes that, consistent with its position when seeking authorization to submit this update, it has provided no argument. Accordingly, any response should likewise be confined to the fact of the withdrawal and should not be used as a vehicle for additional argument.
