Dear Director,

Patent Owner Procomm International Pte. Ltd. respectfully requests authorization to file a 5-page reply to Petitioners' Opposition to Patent Owner's Request for Discretionary Denial of Institution, Paper 13 in IPR2024-01455. The purpose of the reply is to address the impact of Petitioners' *Sotera* stipulation submitted with their opposition. Good cause exists because the PTO's [FAQs for Interim Processes for PTAB Workload Management | USPTO](#) number 14 states that patent owner should be provided the opportunity to address a *Sotera* stipulation.

Respectfully,

Mitch Yang
