Petitioners,

v.

HEADWATER PARTNERS II LLC

Patent Owner.

Case No. IPR2024-01468

U.S. Patent No. 9,094,868

PETITIONERS' REQUEST FOR ORAL ARGUMENT

Petitioners T-Mobile USA, Inc. (“T-Mobile”), AT&T Services, Inc. (“AT&T”), Cellco Partnership d/b/a Verizon Wireless (“Verizon”), Ericsson Inc. (“Ericsson”) and Nokia of America Corporation (“Nokia”) (collectively, “Petitioners”) hereby respectfully request oral argument, already scheduled for February 11, 2026, pursuant to the Board’s Scheduling Order (Paper 18).

Pursuant to 37 C.F.R. § 42.70(a), Petitioners request an oral hearing on all grounds of unpatentability raised in this proceeding. Petitioners also request oral hearing on any issues raised by Patent Owner in its Request for Oral Hearing, any procedural or evidentiary issues raised by the parties and any additional issues or questions raised by the Board or the parties before or during the oral argument. Furthermore, Petitioner’s request argument on any additional issues that Patent Owner may seek to raise on oral argument, including rebuttal to any material in Patent Owner’s presentation, and any additional issues deemed necessary by the Board for issuing a Final Written Decision.

Petitioners suggest that an allocation of 30 minutes of time per side would be appropriate for oral argument. Petitioners further request that they be permitted to speak first at oral argument as the parties bearing the burden of showing the unpatentability of the challenged claims, and that they be permitted to reserve time for rebuttal following Patent Owner’s allotted argument time.

Petitioners request that the oral hearing be held virtually by videoconference. Petitioners request the ability to use screen sharing software to display demonstratives and record documents/exhibits. In the event that the hearing is to be held in-person, Petitioners request the ability to use audio-visual equipment at the hearing, including an Elmo, laptop, projector and screen to display demonstratives and exhibits.

Petitioners further request the services of a court report to transcribe the proceeding.

Respectfully submitted,
