Your Honors:

Petitioner requests authorization, in each of IPR2024-01475 and IPR2024-01476, to file an additional exhibit in the form of a Sotera stipulation.

In particular, Petitioner seeks to file a Sotera stipulation in which Petitioner agrees not to pursue for any instituted claims any grounds raised in the IPR, any grounds raised within Petitioner's invalidity contentions that were raised or could have been raised in the IPR, or any grounds Petitioner could have reasonably raised before the PTAB, in the district court litigation or any parallel proceeding. Petitioner seeks authorization to file a Sotera stipulation letter as an exhibit in each proceeding.

The parties have met-and-conferred, and Patent Owner has advised that it does not

oppose this request.

Should the Board desire to have a call with the parties to discuss this request, both parties are generally available this week during normal business hours except Thursday from 11 AM – 2 PM Central.

If the Board has any questions or would like further information, please let us know.
