Counsel,

The panel requests that the parties meet and confer regarding Patent Owner's request to file the District Court's Order as an exhibit in these proceedings. After meeting and conferring, the parties should then submit a joint email indicating whether or not Petitioner opposes Patent Owner's request.

Honorable Board:

Today, Judge Gilstrap issued the attached order denying Petitioners' motion to stay the district court litigation. This order is relevant to the parties' briefing regarding discretionary denial in IPR2024-

01477 and IPR2025-00123. Please let us know if the Board would like Patent Owner to file this order as an exhibit in the proceedings.
