[This email originated outside of F&R.]

Counsel,

Patent Owner's request to file a Motion to Expunge documents previously filed under seal in IPR2024-01491 is *granted*.

Further, in IPR2024-01491, the Board notes that Petitioner filed a Motion for

Joinder to IPR2025-00145 on June 16, 2025 (Paper 20). In light of the recent settlement between the parties on related matters, for clarity of the record, please confirm whether Petitioner is withdrawing this joinder motion.

Dear Members of the Board,

In AIA Review No. IPR2024-01491, the Board denied institution (Paper 17) and the Director subsequently denied Petitioner's request for Director review on July 24, 2025 (Paper 21). The proceeding is therefore concluded.

Pursuant to 37 C.F.R. § 42.56, Patent Owner seeks authorization to file a Motion to Expunge documents previously filed under seal in this proceeding. The sealed documents at issue are the Unredacted POPR (Paper 6), Sealed Declaration of Savsani (Sealed Ex. 2009), and Equipment Sales Report (Ex. 2010).

If the Board requires any additional information or would like to schedule a meeting with the parties, please let us know.

Counsel for Petitioner Eunsung is copied on this email.

Respectfully,

Jacob
