

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

RUNERGY USA INC., RUNERGY ALABAMA INC., MUNDRA SOLAR PV
LTD., ADANI SOLAR USA INC., AND CANADIAN SOLAR (USA) INC.,
Petitioners,¹

v.

TRINA SOLAR CO., LTD.,
Patent Owner.

Case No. IPR2025-00006
Patent No. 10,230,009

PETITIONERS' REQUEST FOR ORAL ARGUMENT

¹ Mundra Solar PV Ltd. and Adani Solar USA Inc. were joined as petitioners in this proceeding based on a petition and motion for joinder filed in IPR2025-00187, which was granted. Canadian Solar (USA) Inc. was joined as a petitioner in this proceeding based on a petition and motion for joinder filed in IPR2025-00917, which was granted.

Pursuant to 37 C.F.R. § 42.70 and the Board's Scheduling Order (Paper 12), dated April 21, 2025, Petitioners Runergy USA Inc., Runergy Alabama Inc., Mundra Solar PV Ltd., Adani Solar USA Inc., and Canadian Solar (USA) Inc. hereby respectfully request oral argument in this proceeding on the grounds of unpatentability on which trial was instituted, and any additional issues on which the Board seeks clarification. The oral argument is currently scheduled for January 29, 2026. *See* Paper 12.

Petitioners have conferred with Patent Owner about argument time and structure. Petitioners respectfully request (and Patent Owner agrees) that that the oral argument in this proceeding and in IPR2025-00007 be heard together, as the prior art, disputed issues, and arguments are substantively overlapping for both patents. Petitioners also respectfully request (and Patent Owner agrees) that each side be given one hour to present its arguments across both proceedings.

If the oral argument is conducted by remote video-conferencing, Petitioners request permission to use video-conferencing software to allow the presentation of demonstratives. If the oral argument is conducted in-person, Petitioners respectfully request permission to use audio/visual equipment to display demonstrative exhibits, for example, the use of a projector and a screen that connects to a laptop computer, and further request that the attorneys at counsel's table be allowed to use computers.

Dated: December 8, 2025

Respectfully submitted,

/Samuel N. Tiu/
