Re: *Integrated DNA Technologies, Inc. v. Tecan Genomics, Inc.*, IPR2025-00015/IPR2025-00016

Dear Dr. Matz:

This letter confirms the terms on which Tecan Genomics, Inc. (“Tecan Genomics”) has retained your services as a technical expert and consultant to assist us in connection with the following *inter partes* reviews (“IPR”) filed by Integrated DNA Technologies, Inc. (“IDT”): IPR Nos. IPR2025-00015 and IPR2025-00016.

The IPRs involve U.S. Patent Nos. 10,036,012 (“the ’012 patent”) and 10,876,108 (“the ’108 patent”), which are owned by Tecan Genomics and are being challenged by QIAGEN Sciences, LLC, QIAGEN GAITHERSBURG, LLC, QIAGEN GMBH, QIAGEN NV (collectively, “QIAGEN”), Invitae Corp., ArcherDX LLC, and IDT, Inc. In connection with the IPRs, Tecan Genomics is represented by the law firm Goodwin Procter LLP (“Goodwin”).

We understand that you are available to perform the consulting services and that, to the best of your knowledge, this will not cause a conflict of interest because of your relationship with any third party, any research facility, any other corporate entity, and/or because of work that you have undertaken with others. In particular, you stated that you have no conflict of interest with respect to IDT, QIAGEN, or their affiliates and that your performance of expert services will not conflict with or violate any

If the terms of this agreement meet with your approval, please sign, and date this agreement and return it to me. This agreement will become effective on the date stated above. By executing this engagement letter, you are also confirming that your agreement to provide consulting services to Tecan Genomics in this matter will not breach any of your contractual, statutory, or common law duties because of your current or former relationship with any third party or any work that you have undertaken for others and that you have no conflict of interest with respect to working on behalf of Tecan Genomics in this matter.

[REDACTED]

Sincerely,

/s/ Linnea Cipriano
