Dear Honorable Board,

On August 6, Petitioner filed motions to disqualify Dr. Mikhail Matz and seal certain exhibits supporting the motion. On August 19, Patent Owner filed oppositions to both motions. Among other things, Patent Owner's opposition seeks leave to substitute Dr. Eli Meyer for Dr. Matz.

Petitioner requests leave to submit concise additional briefing to respond to Patent Owner's opposition, specifically Petitioner proposes to submit a consolidated 5-page reply in support of its motions on Tuesday, August 26. The Parties conferred, and while Patent Owner does not believe further briefing is

necessary, it does not oppose Petitioner's request as long as it is permitted to file a consolidated 5-page surreply on Wednesday, September 3.

The parties are available if the Board has any questions. Counsel for Patent Owner are copied on this email.

Respectfully submitted,

Thomas S. Fletcher
