Counsel,

Petitioner's request for rehearing of a Director Review decision has been received in the above-referenced cases. Patent Owner is authorized to submit a response limited to the issues raised in the rehearing request, of no more than 15 pages, to be filed within five business days of this email. Any such response must be filed in P-TACTS, i.e., by selecting the "Other: Other" paper type and the paper must be titled "Authorized Response to Request for Rehearing of Director Review Decision" or it may not be considered. No new evidence is permitted. No further briefing is authorized at this time.

The Director will determine whether rehearing will be granted or denied and the parties will be notified of the result of the rehearing request.

Thank you.

Subject: Google v. Mullen, IPR2025-00018, -00019, -00021, -00124: Requests for Rehearing of Director Review Decisions filed

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

To the Director:

Today, Petitioners in IPR2025-00018, -00019, -00021, and -00124 (Google v. Mullen) filed Requests for Rehearing of the Director Review decision dated July 17, 2025 that granted Director Review, vacated the Decision Granting Institution, and denied institution of *inter partes* review. Pursuant to the instructions in Section 5.C.ii of the Director Review process guidelines at <https://www.uspto.gov/patents/ptab/decisions/director-review-process>, Petitioners provide this email to notify the Director that the Requests for Rehearing have been filed. Counsel for all parties are copied on this email. Several matters that the Director Review decision misapprehended or overlooked are specifically identified in each of the Requests for Rehearing filed today.

Petitioners planned to use the "Rehearing Request from Director Review Decision" option for the Paper type in filing these Rehearing Requests, but that option was not appearing in PTACTS under these matters today. Petitioners therefore used the "Rehearing request: Other" option for the Paper type, and

request guidance as to whether and how the Paper type should be updated.

Respectfully submitted,

Elisabeth Hunt
