Counsel,

From the Board –

Patent Owner’s Notices of Intent (PHV NOIs) to designate Timothy J. Beavers, a provisionally recognized PTAB attorney, as back-up counsel in IPR2025-00026 (Paper 25), IPR2025-00028 (Paper 24), and IPR2025-00029 (Paper 24) and accompanying certifications are acknowledged.

It is noted that the NOIs and accompanying certifications are-non-compliant because

1. Authorization to file PHV NOIs has not been provided either in the Notice of Filing Date Accorded (NFDA) or in an email from the panel.
2. Each certification (Exhibit 2200) accompanying the PHV NOIs fails to identify all of the most recent prior proceedings where Mr. Beavers was recognized pro hac vice by PHV NOI. Specifically, the lists exclude IPR2024-00563, filed 01/29/2025 (updated Mandatory Notice filed 02/11/2025).

Nevertheless, because Patent Owner reports that Petitioner does not oppose the NOIs, we waive the requirement for prior authorization for this filing. Moving forward, both parties are hereby authorized to file one or more notices of intent to designate a PTAB-recognized attorney as back-up counsel.

As to the non-compliant certifications (Exhibit 2200, paragraph 11), there is good faith reason to believe that the omission of the one case is merely oversight and that IPR2024-00563 should have been included.

In view of the above, Patent Owner’s Notices of Intent (PHV NOIs) to designate Timothy J. Beavers, a provisionally recognized PTAB attorney, as back-up counsel in IPR2025-00026, IPR2025-00028, and IPR2025-00029 and accompanying certifications are accepted.

Pro hac vice recognition will not be effective until Patent Owner files an updated mandatory notice **after** the expiration of the applicable time period (5 or 10 days) set forth in 37 C.F.R. § 42.10(c)(2)(iii).
