BEFORE THE PATENT TRIAL AND APPEAL BOARD

QIAGEN SCIENCES, LLC,
Petitioner,

v.

TECAN GENOMICS, INC.,
Patent Owner

Case No. IPR2025-00029
U.S. Patent No. 10,876,108

PATENT OWNER'S REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. § 42.70 and the Board's Scheduling Order dated May 15, 2025 (Paper 8), Patent Owner Tecan Genomics, Inc. ("Patent Owner") writes on behalf of Patent Owner and Petitioner QIAGEN Sciences, LLC ("Petitioner") to respectfully request Oral Argument on issues related to the instituted grounds and on any issues raised in pending motions or briefing filed by the parties. Petitioner has reviewed and joins Patent Owner in the below requests.

The Board scheduled the Oral Hearing for this proceeding for February 12, 2026. Paper 8 at 12. The parties understand that the hearing will be held in person in Alexandria, VA.

The parties are involved in three proceedings currently pending before the Board: IPR2025-00026, IPR2025-00028, and IPR2025-00029. All three proceedings involve the same counsel for the parties, are being heard by the same panel of the Board, and involve related technology. IPR2025-00028 and IPR2025-00029 involve patents in the same family, and the arguments presented by the parties in these proceedings largely overlap. IPR2025-00026 involves a patent directed to similar technology but is in a different patent family.

For the sake of efficiency, the parties respectfully request that the Board schedule oral argument for all three proceedings (-00026, -00028, and -00029) for February 11, 2026, which is the scheduled date for oral argument in IPR2025-00026. The parties request that the parties be allotted 60 minutes per side to present

arguments related to both the -00028 and -00029 proceedings, and separately 60 minutes per side to present arguments related to the -00026 proceeding. These time allocations would include any time reserved for rebuttal arguments. These time allocations do not account for any potential LEAP participation requests. Patent Owner contemplates filing such requests in each of these proceedings.

The parties also respectfully request the ability to use audio-visual equipment to display demonstrative exhibits, including use of a computer, a projector, a digital projector/document camera (“Elmo”), and a screen.

Dated: December 30, 2025

Respectfully submitted,
