ERRATA

The Panel issues this paper to correct a typographical error appearing on the cover page of the Final Written Decision (Paper 36, "Final Decision") entered in this proceeding on March 31, 2026. The Final Decision cover page inadvertently stated the result as "Determining All Challenged Claims Not Unpatentable." The word "Not" is an error. Consistent with the

Conclusion, Order, and Summary Table, all challenged claims were determined to be unpatentable.

Accordingly, the title of the cover page is hereby modified to read "Determining All Challenged Claims Unpatentable."

The entry date of the Final Decision remains March 31, 2026.
