Before HUNG H. BUI, SCOTT A. DANIELS, and JON M. JURGOVAN,
Administrative Patent Judges.

Conduct of the Proceeding
37 C.F.R. § 42.5

INTRODUCTION

On August 14, 2025, the Board held a conference call with the parties at approximately 3:00 P.M., Eastern Time. The participants were respective counsel for the parties and Judges Bui, Daniels, and Jurgovan. The principal purpose of the conference call was to discuss (1) the Order dated August 12, 2025 (Paper 16) granting Director Review, vacating the Board's decision denying institution, and remanding to the Board to address solely the claim construction issue; and (2) the parties' proposed briefing to address solely the claim construction issue.

During the conference call, we asked the parties to discuss and propose an additional briefing schedule with a page limit. We also asked for a status update of related parallel proceedings, and the parties informed us that their claim construction briefings (Exhibit 2001, 2002) were submitted before the District Court of Northern District of California, but the District Court has not scheduled a Markman hearing or ruled on the claim construction issue.

On August 21, 2025, the parties informed the Board, via email, that during the meet and confer process, the parties agreed to the following briefing schedule:

- Petitioner's (Amazon's) opening remand brief - 10 pages, due 8/27/2025;
- Patent Owner's (BSD's) responsive remand brief - 10 pages, due 9/10/2025;
- Petitioner's (Amazon's) reply brief – 3 pages, due 9/15/2025; and
- Patent Owner's (BSD's) sur-reply brief – 3 pages, due 9/22/2025.

ORDER

On the basis of the foregoing, it is:

ORDERED that the parties' proposed briefing schedule above is authorized; and

FURTHER ORDERED that the parties' limited briefing is authorized to solely address the claim construction issue.
