

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

GOOGLE LLC and MOTOROLA MOBILITY LLC,
Petitioner,

v.

MULTIFOLD INTERNATIONAL INCORPORATED PTE. LTD.,
Patent Owner.

Case IPR2025-00059
Patent No. 9,141,135

PATENT OWNER'S REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. § 42.70 and the Board's May 21, 2025 Scheduling Order ("the Scheduling Order", Paper 9), Multifold International Incorporated Pte. Ltd. ("Patent Owner") respectfully requests oral argument, scheduled for February 24-25, 2026. Patent owner respectfully requests that the hearing take place at USPTO Headquarters in Alexandria, Virginia.

Reservation Of Time: Patent Owner requests an opportunity to reserve sur-rebuttal time to respond to rebuttal arguments by Petitioner, and an opportunity to provide a closing statement. *See, e.g., Mangrove Partners Master Fund., Ltd. et al. v. VirnetX Inc.*, IPR2015-01046/01047, Paper 60, 2 (PTAB June 2, 2016) ("Both parties may reserve some of their argument time for rebuttal, and Patent Owner will be afforded an opportunity to provide a closing statement along with any rebuttal.")

Issues For Argument: Without waiving any issue not specifically identified, Patent Owner specifies at least the following issues it may discuss at argument:

- Issues related to the instituted grounds, including, for example, claim construction, obviousness, motivation to combine, and reasonable expectation of success;

- Any other relevant issues raised in papers filed in this proceeding, including issues raised in the Patent Owner Sur-Reply or in other papers yet to be filed; and
- Any other issues that the Board deems necessary for issuing a Final Written Decision, including any questions, rebuttals, or arguments that may arise during the oral argument.

The Board's advance guidance is respectfully solicited as to any questions the Board specifically wishes to be addressed.

Time For Argument: Patent Owner respectfully requests 60 minutes of total argument time per side. Patent Owner believes that this is a sufficient amount of time to discuss all issues in this case.

Equipment: Patent Owner requests that the Board make available a telephonic dial-in or videoconference link for the argument so non-arguing counsel and/or client representatives may listen remotely. Patent Owner also requests the capability to display documents, including demonstratives and exhibits, to the Board. Respectfully submitted,

/Minghui Yang/
