Dear Honorable Board:

Petitioner in the above-referenced IPRs respectfully requests authorization to file a five-page preliminary reply in each IPR to address Patent Owner's arguments on discretionary denial under 35 U.S.C. § 314(a).

Patent Owner has advised that it consents, provided Patent Owner may have leave to file a four-page sur-reply in each IPR. Petitioner does not oppose Patent Owner's request for a sur-reply in each IPR.

The parties are available for a call with the Board next week, if needed, between 9:30 and noon ET on Wednesday or Thursday.

Respectfully submitted,

Scott Weidenfeller
Counsel for Petitioner
