National Bestselling Author

World on the Brink: How America Can Beat China in the Race for the Twenty-First Century

Apr 2024 - Present · 1 yr 3 mos

My book is out and is a national bestseller!
It covers the history, geopolitical, military, technological and economic implications and dynamics of Cold War II, the current geopolitical struggle between America and China, and what America's grand strategy for victory in this new conflict should look like.

World on the Brink: How America Can Beat China in the Race for the Twenty-First Century
