Ex. 1048	Ericsson-KT-Pegasus Settlement and License Agreement	Settlement and License Agreement executed between Ericsson, KT, and Pegasus (CONFIDENTIAL)

Pursuant to 35 U.S.C. § 317(a) and 37 C.F.R. § 42.74, and the Board's authorization by email dated November 6, 2025, Petitioner Ericsson, Inc. ("Ericsson"), Patent Owner KT Corporation ("KT"), and Exclusive Licensee Pegasus Wireless Innovation LLC ("Pegasus") have executed a Settlement and License Agreement. Pursuant to the Ericsson-KT-Pegasus Settlement and License Agreement, the parties jointly moved to dismiss their claims in:

- *Pegasus Wireless Innovation LLC. v. AT&T Inc. et al.*, No. 2:23-cv-00638 (E.D. Tex) (hereafter, "AT&T Case");
- *Pegasus Wireless Innovation LLC. v. T-Mobile US, Inc. et al.*, No. 2:23-cv-00639 (E.D. Tex) (hereafter, "T-Mobile Case"); and
- *Pegasus Wireless Innovation LLC. v. Verizon Communications Inc. et al.*, No. 2:23-cv-00640 (E.D. Tex) (hereafter, "Verizon Case").

Accordingly, the parties have completely resolved all pending controversies between the parties concerning U.S. Patent No. 10,638,463 ("the '463 Patent"). The parties are moving jointly and concurrently to terminate the above-captioned IPR proceeding as to Ericsson. A true copy of the Settlement and License Agreement executed between Ericsson, KT, and Pegasus is being filed concurrently herewith. *See* Exhibit 1048.

As permitted by statute, Ericsson, KT, and Pegasus request that the Board treat as business confidential information, the true and complete copy of the Ericsson-KT-

Pegasus Settlement and License Agreement (Confidential Exhibit 1048) between the parties, as referenced in the parties' Joint Motion to Partially Terminate Proceeding as to Ericsson (pursuant to 35 U.S.C. § 317 and 37 C.F.R. § 42.74), filed concurrently herewith. These agreements contain confidential commercial and financial information of Ericsson, KT, and Pegasus.

35 U.S.C. § 317(b) provides that:

> At the request of a party to the proceeding, the agreement or understanding shall be treated as business confidential information, shall be kept separate from the file of the involved patents, and shall be made available only to Federal Government agencies on written request, or to any person on a showing of good cause.

Likewise, 37 C.F.R. § 42.74(c) provides that:

> A party to a settlement may request that the settlement be treated as business confidential information and be kept separate from the files of an involved patent or application. The request must be filed with the settlement. If a timely request is filed, the settlement shall only be available:
>
> (1) To a government agency on written request to the Board; or

> (2) To any other person upon written request to the Board to make the settlement agreement available, along with the fee specified in § 42.15(d) and on a showing of good cause.

The present request, which is being filed contemporaneously with the Ericsson-KT-Pegasus Settlement and License Agreement, is timely and in accordance with the foregoing authority. Therefore, Ericsson, KT, and Pegasus are filing the Ericsson-KT-Pegasus Settlement and License Agreement as "For Board Only" and request that the Ericsson-KT-Pegasus Settlement and License Agreement (Confidential Exhibit 1048) (i) be treated as business confidential information, (ii) be maintained separate from the publicly available file of the involved patent, and (iii) shall be made available only to Federal Government agencies on written request, or to persons showing good cause on written request, pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c). Moreover, the terms require Ericsson, KT, and Pegasus to treat the Ericsson-KT-Pegasus Settlement and License Agreement as confidential information and limit the parties' ability to share the Ericsson-KT-Pegasus Settlement and License Agreement, or to disclose its contents with third parties. See Exhibit 1048 at § 8.
