Subject: IPR2025-00085 Unopposed POPR Extension

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

To the honorable Board,

Patent Owner requests a short extension to the deadline of the Patent Owner Preliminary Response (POPR), without change to the institution decision deadline in IPR2025-00085 (MediaTek v. Redstone). This would move the POPR deadline from January 30, 2025 to February 5, 2025, and the institution decision deadline would remain at April 30, 2025.

Patent Owner has confirmed that Petitioner does not oppose this short extension.
