

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

American Axle & Manufacturing, Inc.

Petitioner

v.

Neapco Components, LLC,
Patent Owner

Case IPR2025-00090

U.S. Patent No. 11,434,958

Case IPR2025-00091

U.S. Patent No. 11,598,376

DECLARATION OF JODI GREGORY

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

I, Jodi Gregory, of Centerville, Ohio, declare as follows:

1. I am over the age of 21, and I have personal knowledge of the facts contained herein unless otherwise indicated.

2. I am the founder and President of Access Information Services, Inc., which provides customized business research and analyses. I have been employed there since 1988. My duties include research and analysis, and I conduct workshops on Internet research. I am regularly engaged by a wide variety of companies to conduct research regarding the availability of scientific literature. In 2012, Access Information Services, Inc. merged with Seek Information Services, an intellectual property research firm.

3. From 1989 to 1994, I was also Manager of the Information & Analysis Center with UES Inc., a research, development, and technology creation and transfer company. My work duties there included creating and managing a centralized information resource center, managing research on over 200 companies and their competitors, and acquiring online databases, end-user tools, collection development systems, and database management systems.

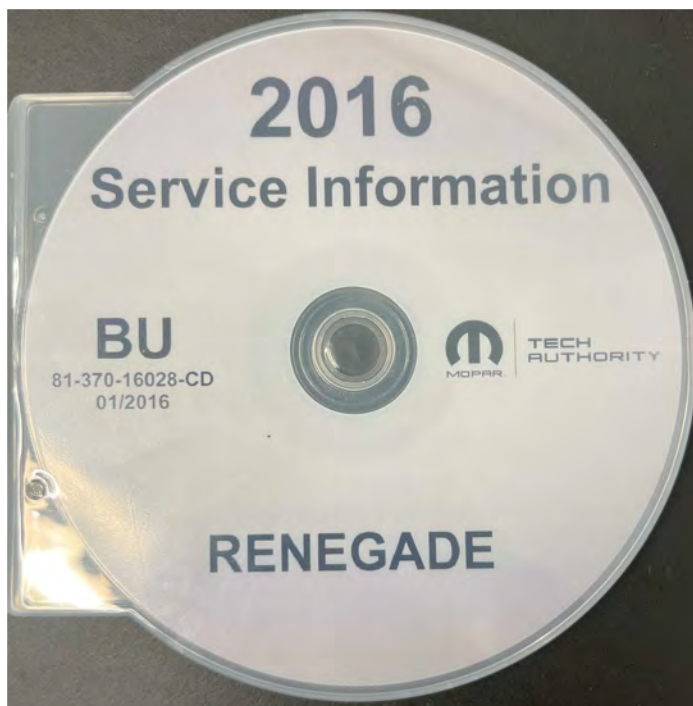

4. I have served on the Association of Independent Information Professionals' Board of Directors, and I have held the positions of President-Elect and President of the Association.

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

5. A true and correct copy of my Curriculum Vitae is attached hereto as Appendix A.

6. I am being compensated for my time in connection with this IPR at my standard consulting rate, which is \$125.00 per hour. My compensation is not dependent in any way upon the outcome of this matter.

7. I have been asked to evaluate the public accessibility of a “2016 Jeep® Renegade – Service Information Manual” (Petitioner’s Ex. 1013, “Renegade Manual”), which came loaded on a CD/DVD, an image of which is reproduced below.

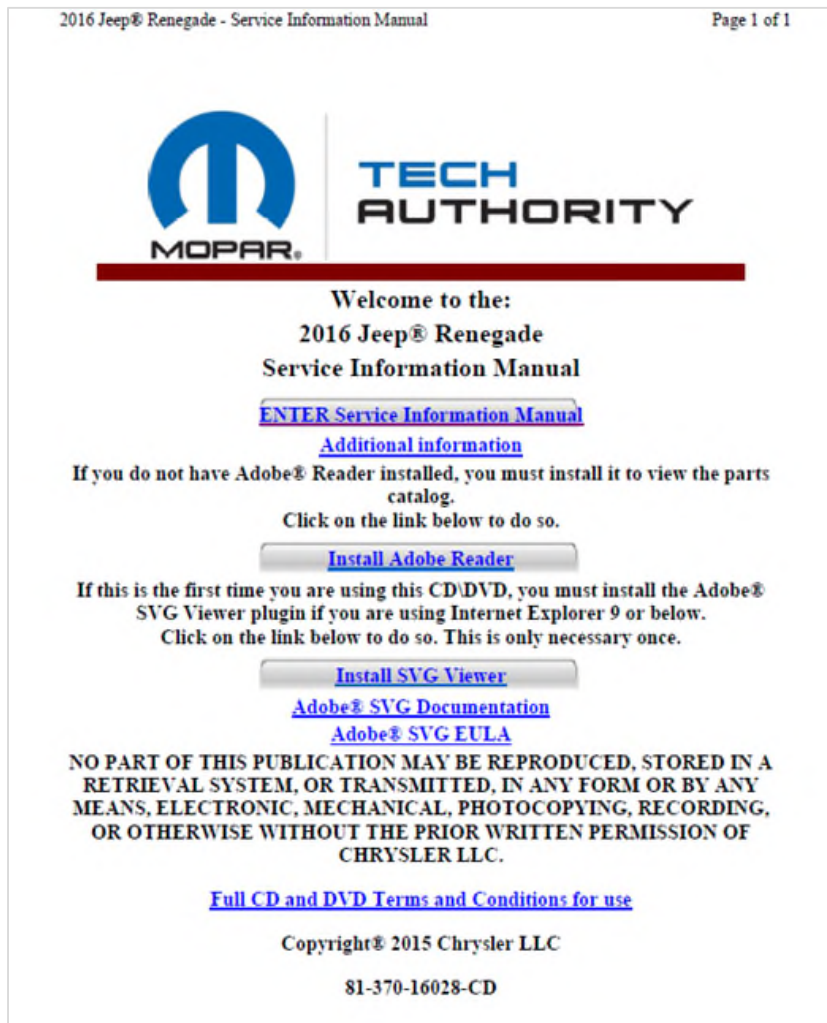

Petitioner’s Ex. 1013, Renegade Manual at PET_AAM_1013-0001. For the reasons detailed below, based on my research in this matter, the Renegade Manual was

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

publicly accessible before May 3, 2017, because interested members of the public could have purchased and accessed the Renegade Manual with reasonable diligence if they so desired.

8. The product ID associated with the Renegade Manual is shown on the front of the CD\DVD as “81-370-16028-CD.” The same product ID, “81-370-16028-CD,” is shown on the bottom of the computer screen after loading the CD\DVD and launching the Renegade Manual.

Petitioner’s Ex. 1013, Renegade Manual at PET_AAM_1013-0002.

9. Several posts on forums related to the Jeep Renegade dated in 2016 (before May 3, 2017) support my opinion that the Renegade Manual was publicly accessible before May 3, 2017, including “www.renegadeforum.com” (“Renegade Forum”), “www.jeeprenegadeforum.com” (“Jeep Renegade Forum”), and “www.jeeprenegadeclube.com” (“Jeep Renegade Clube”).

Renegade Forum (www.renegadeforum.com)

10. Renegade Forum describes itself as “A forum community dedicated to Jeep Renegade owners and enthusiasts. Come join the discussion about performance, modifications, classifieds, troubleshooting, maintenance, and more!” “www.renegadeforum.com” (last accessed Oct. 24, 2024).

11. A *first* forum discussion on Renegade Forum, entitled “New Owner, Service Manual, fuel Cut-off, more....,” was started by a member named “Todd Harris” on a listed date of May 18, 2016. “https://www.renegadeforum.com/threads/new-owner-service-manual-fuel-cut-off-more.109/?post_id=441&nested_view=1&sortby=oldest#post-441” (last accessed October 24, 2024). A true and correct screenshot of this first forum discussion is

attached as Exhibit 1 to this declaration.¹ Mr. Harris stated that he was interested in obtaining a service manual for a 2015 Jeep Renegade. Ex. 1.

12. I made several findings that support my conclusion that Mr. Harris made this forum post no later than May 18, 2016. First, hovering over the date (“May 18, 2016”) reveals the time of Mr. Harris’ post, “May 18, 2016 at 2:30 AM.” Ex. 2. A true and correct screenshot of this first forum discussion, with the date and time of Mr. Harris’ post revealed, is attached as Exhibit 2 to this declaration. Second, I utilized the Google search engine to retrieve this first forum discussion, including Mr. Harris’ forum post, and Google’s date entered shows that Mr. Harris’ forum post was captured by Google on May 17, 2016, and was available to the interested public to search and view as of that date. Ex. 3.² A true and correct screenshot of a Google search result for this first forum discussion, including Mr. Harris’ forum post, is attached as Exhibit 3. Third, I reviewed Mr. Harris’ member profile page on Renegade Forum by accessing “<https://www.renegadeforum.com/members/>” (last accessed Oct. 24, 2024), and searching for “Todd Harris” in the “Find Member” search window. Ex. 4. A true and correct screenshot of Mr. Harris’ member profile

¹ Unless otherwise noted, all annotations – blue boxes and blue arrows – have been added to exhibits for convenience and ease of reference.

² For example, a Google search for “81-370-16028-CD” (with quotes) returns this first forum discussion post on Renegade Forum, along with the others that I discuss herein.

page is attached as Exhibit 4 to this declaration. Mr. Harris' member profile page indicates that he "Joined" on "May 18, 2016," which is the same date that he initiated the first forum discussion, and was "Last seen" on "Aug 6, 2016." Ex. 4. Fourth, Mr. Harris posted in a second forum discussion on Renegade Forum (which I discuss below), on June 19, 2016, one month after Mr. Harris initiated this first forum discussion. Ex. 7. Mr. Harris responded to the question, "Does anyone know how I can get a service manual for the 2015 Jeep Renegade ?," by stating, "I've been looking also." Ex. 7. Hovering over the date ("Jun 19, 2016") reveals the time of Mr. Harris' post on this second forum discussion, "Jun 19, 2016 at 12:45 PM." Ex. 10. A true and correct screenshot of this second forum discussion, with the date and time of Mr. Harris' post revealed, is attached as Exhibit 10 to this declaration. Fifth, as I describe herein, other posts in other forum discussions on Renegade Forum have dates corroborated by Google's date descriptor, as described herein.

13. A member named "Cruiser" replied on July 6, 2016. Ex. 1. Cruiser stated:

I recently found the service manual on disc at techauthority.com. It's for the 2016 model which is essentially the same as the 2015. Here's the link:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Ex. 1. The "link" to which Cruiser refers includes the product ID associated with the Renegade Manual that is shown on the front of the CD/DVD and on the bottom

of the computer screen after loading the CD\DVD and launching the Renegade Manual, “81-370-16028-CD.”

14. I made several findings that support my conclusion that Cruiser made this forum post no later than of July 6, 2016. First, hovering over the date (“Jul 6, 2016”) reveals the time of Cruiser’s post, “Jul 6, 2016 at 11:09 PM.” Ex. 5. A true and correct screenshot of this first forum discussion, with the date and time of Cruiser’s post revealed, is attached as Exhibit 5 to this declaration. Second, I reviewed Cruiser’s member profile page on Renegade Forum by accessing “<https://www.renegadeforum.com/members/>” (last accessed Oct. 24, 2024), and searching for “Cruiser” in the “Find Member” search window. Ex. 6. A true and correct screenshot of Cruiser’s member profile page is attached as Exhibit 6 to this declaration. Cruiser’s member profile page indicates that he “Joined” on “Jun 1, 2016,” and was “Last seen” on “Apr 23, 2017.” Ex. 6. Cruiser’s July 6, 2016, post is between these dates, and Cruiser also previously posted on the same forum discussion on June 1, 2016, the same date that Cruiser joined Renegade Forum. Ex. 1 (posting about a “fuel shut off triggered condition”). Third, other posts in this first forum discussion, including Mr. Harris’ May 18, 2016 post, as well as other posts in other forum discussions on Renegade Forum, have dates corroborated by Google’s date descriptor, as described herein. Fourth, Cruiser posted in a second forum discussion on Renegade Forum (which I discuss below), on July 6, 2016, the same

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

day that Cruiser responded in this first forum discussion. Ex. 7. Cruiser’s post in the second forum discussion is similar to Cruiser’s post in the first forum discussion, but there are some differences:

I found the service manual on disc at techauthority.com. It’s for the 2016 model which is essentially the same as the 2015. Here’s the link:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Ex. 7. Hovering over the date (“Jul 6, 2016”) reveals the time of Cruiser’s post, “Jul 6, 2016 at 11:04 PM,” which is 5 minutes before Cruiser’s post in the first forum discussion. Ex. 11.

15. Cruiser’s response in this *first* forum discussion indicates that a service manual for the 2016 Jeep Renegade was available “on disc at techauthority.com” no later than July 6, 2016 and, in particular, at the URL “<https://www.techauthority.com/en-us/products/81-370-16028-CD>.” Ex. 1.

16. A *second* forum discussion on Renegade Forum, entitled “Service manual,” was started by a member named “Jack Kuykendall” on a listed date of December 1, 2015. “<https://www.renegadeforum.com/threads/service-manual.54/>” (last accessed October 24, 2024). A true and correct screenshot of this second forum discussion is attached as Exhibit 7 to this declaration.

17. Mr. Kuykendall stated:

Does anyone know how I can get a service manual for the 2015 Jeep Renegade ?

I have been told that it is currently web-based and accessible by dealer and other authorized service people. Is this true?

Jack Kuykendall
Rancho Cucamonga, CA

Ex. 7.

18. I made several findings that support my conclusion that Mr. Kuykendall made this forum post no later than December 1, 2015. First, hovering over the date (“Dec 1, 2015”) reveals the time of Mr. Kuykendall, “Dec 1, 2015 at 2:01 AM.” Ex. 8. A true and correct screenshot of this second forum discussion, with the date and time of Mr. Kuykendall’s post revealed, is attached as Exhibit 8 to this declaration. Second, as before, I utilized the Google search engine to retrieve this second forum discussion, including Mr. Kuykendall’s forum post, and Google’s date entered shows that Mr. Kuykendall’s forum post was captured by Google on November 30, 2015, and was available to the interested public to search and view as of that date. Ex. 32. A true and correct screenshot of a Google search result for this second forum discussion, including Mr. Kuykendall’s forum post, is attached as Exhibit 32. Third, I reviewed Mr. Kuykendall’s member profile page on Renegade Forum by accessing “<https://www.renegadeforum.com/members/>” (last accessed Oct. 24, 2024), and searching for “Jack Kuykendall” in the “Find Member” search window. Ex. 9. A true and correct screenshot of Mr. Kuykendall’s member profile page is attached as Exhibit 9 to this declaration. Mr. Kuykendall’s member profile page indicates that

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

he “Joined” on “Nov 30, 2015” and was “Last seen” on “Dec 1, 2015,” which is the same date that he initiated the second forum discussion. Ex. 9. Fourth, as I describe herein, other posts in other forum discussions on Renegade Forum have dates corroborated by Google’s date descriptor.

19. Cruiser replied to Mr. Kuykendall’s post in this second discussion forum on July 6, 2016. Ex. 7. Cruiser stated:

I found the service manual on disc at techauthority.com. It’s for the 2016 model which is essentially the same as the 2015. Here’s the link:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Ex. 7. The “link” to which Cruiser refers includes the product ID associated with the Renegade Manual that is shown on the front of the CD/DVD and on the bottom of the computer screen after loading the CD/DVD and launching the Renegade Manual, “81-370-16028-CD.”

20. I made several findings that support my conclusion that Cruiser made this forum post no later than of July 6, 2016. First, hovering over the date (“Jul 6, 2016”) reveals the time of Cruiser’ post, “Jul 6, 2016 at 11:04 PM.” Ex. 11. A true and correct screenshot of this second forum discussion, with the date and time of Cruiser’s post revealed, is attached as Exhibit 11 to this declaration. Second, Cruiser’s member profile page on Renegade Forum indicates that he “Joined” on “Jun 1, 2016,” and was “Last seen” on “Apr 23, 2017.” Ex. 6. Cruiser’s reply to Mr. Kuykendall’s post in this second discussion forum on July 6, 2016 falls between

those dates, and Cruiser also previously posted on a different, first forum discussion on June 1, 2016, the same date that Cruiser joined Renegade Forum. Ex. 1 (posting about a “fuel shut off triggered condition”). Third, other posts in this second forum discussion, including Mr. Kuykendall’s December 1, 2015 post, as well as other posts in other forum discussions on Renegade Forum, have dates corroborated by Google’s date descriptor, as described herein. Fourth, as discussed above, Cruiser posted in the first forum discussion on Renegade Forum on July 6, 2016 at 11:09 PM, just five minutes after Cruiser posted similar information in this second forum discussion on July 6, 2016 at 11:04 PM. Ex. 5.

21. Cruiser’s response in this *second* forum discussion indicates that a service manual for the 2016 Jeep Renegade was available “on disc at techauthority.com” no later than July 6, 2016 and, in particular, at the URL “<https://www.techauthority.com/en-us/products/81-370-16028-CD>.”

Jeep Renegade Forum (“www.jeeprenegadeforum.com”)

22. Jeep Renegade Forum describes itself as “A forum community dedicated to Jeep Renegade owners and enthusiasts. Come join the discussion about performance, modifications, troubleshooting, maintenance, towing capacity, and more!” “<https://www.jeeprenegadeforum.com/>” (last accessed October 24, 2024).

23. A *first* forum discussion on Jeep Renegade Forum, entitled “Service Manuals,” was started by a member named “Rufus” on a listed date of July 20, 2015.

“<https://www.jeeprenegadeforum.com/threads/service-manuals.20409/>” (last accessed October 24, 2024). A true and correct screenshot of this first forum discussion is attached as Exhibit 12 to this declaration.

24. I made several findings that support my conclusion that Rufus made this forum post no later than July 20, 2015. First, hovering over the date (“Jul 20, 2015”) reveals the time of Rufus’ post, “Jul 20, 2015 at 10:26 PM.” Ex. 13. A true and correct screenshot of this first forum discussion, with the date and time of Rufus’ post revealed, is attached as Exhibit 13 to this declaration. Second, I utilized the Google search engine to retrieve this first forum discussion, including Mr. Rufus’ forum post, and Google’s date entered shows that Rufus’ forum post was captured by Google on July 20, 2015, and was available to the interested public to search and view as of that date. Ex. 14. A true and correct screenshot of a Google search result for this first forum discussion, including Rufus’ forum post, is attached as Exhibit 14. Third, I reviewed Rufus’ member profile page on Jeep Renegade Forum by accessing “<https://www.jeeprenegadeforum.com/members/>” (last accessed Oct. 24, 2024), and searching for “Rufus” in the “Find Member” search window. Ex. 15. A true and correct screenshot of Rufus’ member profile page is attached as Exhibit 15 to this declaration. Rufus’ member profile page indicates that he “Joined” on “Jul 6, 2015,” which is two weeks before he initiated the first forum discussion. Ex. 15.

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

Fourth, as I describe herein, other posts in other forum discussions on Jeep Renegade Forum have dates corroborated by Google’s date descriptor.

25. A member named “cruiser66” replied no later than July 15, 2016. Ex.

12. cruiser66 stated:

The service manual on disc is available for the 2016 Renegade as well as the 2014 GC. Here’s the link for the Renegade:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Here’s the link for the 2014 GC:

<https://www.techauthority.com/en-us/products/81-370-14064-CD>

And also the 2015 Dodge Challenger:

<https://www.techauthority.com/en-us/products/81-270-15041-CD>

Ex. 12. The “link for the Renegade” (“2016 Renegade”) to which cruiser66 refers includes the product ID associated with the Renegade Manual that is shown on the front of the CD\DVD and on the bottom of the computer screen after loading the CD\DVD and on the bottom of the computer screen after loading the CD\DVD and launching the Renegade Manual, “81-370-16028-CD.”

26. I made several findings that support my conclusion that cruiser66 made this forum post no later than of July 15, 2016. First, hovering over the date (“Jul 14, 2016 (Edited)”) reveals the time of cruiser66’s post, “Jul 15, 2016 12:55 AM.” Ex.

16. A true and correct screenshot of this first forum discussion, with the date and time of cruiser66’s post revealed, is attached as Exhibit 16 to this declaration. Second, I reviewed cruiser66’s member profile page on Jeep Renegade Forum by

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

accessing “<https://www.jeeprenegadeforum.com/members/>” (last accessed Oct. 24, 2024), and searching for “cruiser66” in the “Find Member” search window. Ex. 17. A true and correct screenshot of cruiser66’s member profile page is attached as Exhibit 17 to this declaration. cruiser66’s member profile page indicates that he “Joined” on “May 27, 2016,” a little over a month before cruiser66 replied to Rufus’ post. Ex. 17. Third, other posts in this first forum discussion, including Rufus’ July 20, 2015 post, as well as other posts in other forum discussions on Jeep Renegade Forum, have dates corroborated by Google’s date descriptor, as described herein. Fourth, cruiser66 posted in a second forum discussion on Jeep Renegade Forum (which I discuss below), on July 13, 2016, two days before cruiser66 responded in this first forum discussion. Ex. 18. cruiser66’s post in the second forum discussion is similar to cruiser66’s post in the first forum discussion:

Here’s the service manual for the 2016 Renegade on disc. None for the 2015, but it's essentially the same as the 2016. Found on techauthority:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Instructions for getting the printed copy of the owners manual are on the inside front cover of the user guide. Got mine yesterday (683 pages).

Ex. 18. Hovering over the date (“Jul 13, 2016 (Edited)”) reveals the time of cruiser66’ post, “Jul 13, 2016 at 1:37 AM.” Ex. 19.

27. cruiser66’s response in this *first* forum discussion indicates that a service manual for the 2016 Jeep Renegade was available “on disc” and “Found on

techauthority” no later than July 15, 2016 and, in particular, at the URL “<https://www.techauthority.com/en-us/products/81-370-16028-CD>.”

28. A *second* forum discussion on Jeep Renegade Forum, entitled “Service Manual,” was started by a member named “14633” on a listed date of February 6, 2016. “<https://www.jeeprenegadeforum.com/threads/service-manual.43778/>” (last accessed October 24, 2024). A true and correct screenshot of this second forum discussion is attached as Exhibit 18 to this declaration. Member 14633 asked: “Anyone find a source for a service manual yet ?” Ex. 18.

29. I made several findings that support my conclusion that 14633 made this forum post no later than February 6, 2016. First, hovering over the date (“Feb 6, 2016”) reveals the time of 14633’s post, “Feb 6, 2016 at 9:38 AM.” Ex. 20. A true and correct screenshot of this second forum discussion, with the date and time of 14633’s post revealed, is attached as Exhibit 20 to this declaration. Second, as before, I utilized the Google search engine to retrieve this second forum discussion, including 14633’s forum post, and Google’s date entered shows that 14633’s forum post was captured by Google on February 6, 2016, and was available to the interested public to search and view as of that date. Ex. 21. A true and correct screenshot of a Google search result for this second forum discussion, including 14633’s forum post, is attached as Exhibit 21. Third, as I describe herein, other posts in other forum

discussions on Renegade Forum have dates corroborated by Google's date descriptor.

30. A member named "Barebuttminer" responded on February 6, 2016. Ex. 18. Barebuttminer stated: "When they do become available you will find them here <https://www.techauthority.com/>". Ex. 18. I made several findings that support my conclusion that Barebuttminer made this forum post no later than February 6, 2016. First, hovering over the date ("Feb 6, 2016") reveals the time of Barebuttminer's post, "Feb 6, 2016 at 3:41 PM." Ex. 22. A true and correct screenshot of this second forum discussion, with the date and time of Barebuttminer's post revealed, is attached as Exhibit 22 to this declaration. Second, other posts in this second forum discussion, including 14633's February 6, 2016 post, as well as other posts in other forum discussions on Renegade Forum, have dates corroborated by Google's date descriptor, as described herein.

31. cruiser66 replied to 14633's post in this second discussion forum on July 13, 2016. Ex. 18. cruiser66 stated:

Here's the service manual for the 2016 Renegade on disc. None for the 2015, but it's essentially the same as the 2016. Found on techauthority:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Instructions for getting the printed copy of the owners manual are on the inside front cover of the user guide. Got mine yesterday (683 pages).

Ex. 18 The “link” in cruiser66’s post includes the product ID associated with the Renegade Manual that is shown on the front of the CD\DVD and on the bottom of the computer screen after loading the CD\DVD and launching the Renegade Manual, “81-370-16028-CD.”

32. I made several findings that support my conclusion that cruiser66 made this forum post no later than July 13, 2016. First, hovering over the date (“Jul 13, 2016 (Edited)”) reveals the time of cruiser66’s post, “Jul 13, 2016 at 1:37 AM.” Ex. 19. A true and correct screenshot of this second forum discussion, with the date and time of cruiser66’s post revealed, is attached as Exhibit 19 to this declaration. Second, cruiser66’s member profile page indicates that he “Joined” on “May 27, 2016,” a little over a month before cruiser66 replied to 14633’s post. Ex. 17. Third, other posts in this second forum discussion, including 14633’s February 6, 2016 post, as well as other posts in other forum discussions on Jeep Renegade Forum, have dates corroborated by Google’s date descriptor, as described herein. Fourth, as described above, cruiser66 posted in the first forum discussion on Jeep Renegade Forum, no later than July 15, 2016, two days after cruiser66 posted similar information in this second forum discussion. Ex. 12.

33. cruiser66’s response in this *second* forum discussion indicates that a “service manual for the 2016 Renegade” was available “on disc” and “Found on

techauthority” no later than July 13, 2016 and, in particular, at the URL “<https://www.techauthority.com/en-us/products/81-370-16028-CD>.”

34. A *third* forum discussion on Jeep Renegade Forum, entitled “Removing a Renegade’s Grill,” was started by a member named “MRM331” on a listed date of July 29, 2015. “<https://www.jeeprenegadeforum.com/threads/removing-a-renegades-grill.21641/>” (last accessed October 24, 2024). A true and correct screenshot of this first forum discussion is attached as Exhibit 23 to this declaration.

35. MRM331 stated:

I’m in the process of trying to remove my Latitude’s grill for a little modification. I don’t like frying blind when working on cars and really wish a tech manual was available somewhere other than a Jeep dealer. While feeling around for attachment points it occurred to me that maybe the Mopar aftermarket grill and mirror cap kits come with install instructions.

If the kits do come with install instructions and and any one has purchased one would you be willing to scan in and then post here a copy of at least the exploded view of the bumper or better yet the install procedure?

Thanks,
-Jason

Ex. 23.

36. I made several findings that support my conclusion that MRM331 made this forum post no later than July 29, 2015. First, hovering over the date (“Jul 29, 2015”) reveals the time of MRM331’s post, “Jul 29, 2015 at 6:41 PM.” Ex. 24. A true and correct screenshot of this third forum discussion, with the date and time of

MRM341's post revealed, is attached as Exhibit 24 to this declaration. Second, I utilized the Google search engine to retrieve this third forum discussion, including MRM331's forum post, and Google's date entered shows that MRM331's forum post was captured by Google on July 29, 2015, and was available to the interested public to search and view as of that date. Ex. 25. A true and correct screenshot of a Google search result for this third forum discussion, including MRM331's forum post, is attached as Exhibit 25. Third, I reviewed MRM331's member profile page on Jeep Renegade Forum by accessing "https://www.jeeprenegadeforum.com/members/" (last accessed Oct. 24, 2024), and searching for "MRM331" in the "Find Member" search window. Ex. 26. A true and correct screenshot of MRM331's member profile page is attached as Exhibit 26 to this declaration. MRM331's member profile page indicates that MRM331 "Joined" on May 19, 2015, which is a little over a month before he initiated the third forum discussion, and was "Last seen" on "May 6, 2016." Ex. 26. MRM331's post falls between those dates. Fourth, as I describe herein, other posts in other forum discussions on Jeep Renegade Forum have dates corroborated by Google's date descriptor.

37. A member named "raz-0" replied on August 18, 2016. Ex. 23. raz-0 stated:

Well a tech manual finally came out:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Ex. 23. The link provided by raz-0 includes the product ID associated with the Renegade Manual that is shown on the front of the CD\DVD and on the bottom of the computer screen after loading the CD\DVD and launching the Renegade Manual, “81-370-16028-CD.”

38. I made several findings that support my conclusion that raz-0 made this forum post no later than of August 18, 2016. First, hovering over the date (“Aug 18, 2016”) reveals the time of raz-0’s post, “Aug 18, 2016 10:43 AM.” Ex. 27. A true and correct screenshot of this third forum discussion, with the date and time of raz-0’s post revealed, is attached as Exhibit 27 to this declaration. Second, other posts in this third forum discussion, including MRM331’s July 29, 2015, post, as well as other posts in other forum discussions on Jeep Renegade Forum, have dates corroborated by Google’s date descriptor, as described herein.

39. raz-0’s response in this *third* forum discussion indicates that a “tech manual” was available no later than August 18, 2016, and, in particular, and, in particular, at the URL, “<https://www.techauthority.com/en-us/products/81-370-16028-CD>.”

Jeep Renegade Clube (“www.jeeprenegadeclube.com”)

40. Jeep Renegade Clube appears to be a Portuguese-language forum community related to Jeep Renegade vehicles. “<https://www.jeeprenegadeclube.com/>” (last accessed October 24, 2024).

41. A forum discussion on Jeep Renegade Clube entitled, “Manual de Serviço para Jeep Renegade,” was started by a member named “fernandosousa” on a listed date of July 15, 2016, at 18:29 (6:29 p.m.). “https://www.jeeprenegadeclube.com/t1008-manual-de-servico-para-jeep-renegade#google_vignette” (last accessed October 24, 2024). A true and correct screenshot of this forum discussion is attached as Exhibit 28 to this declaration, and I understand that Petitioner’s Exhibit 1024 is a certified Portuguese to English translation of this forum discussion, having a translated title of “Service Manual for Jeep Renegade.”

42. On July 15, 2016, fernandosousa posted:

Queria muito ter o manual de serviço do Renegade, é o melhor jeito de resolver eventuais problemas no carro. Procurando na internet encontrei a venda o manual de serviço do Renegade estadunidense, mas custa U\$135,00 e a motorização é diferente. Alguém sabe onde acho o brasileiro?

Segue o link do que eu achei:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Ex. 28. fernandosousa’s message translated into English is reproduced below from the certified Portuguese to English translation of Petitioner’s Exhibit 1024:

I would really like to get my hands on the Renegade service manual, as it is the best way to solve any problems with the car. I searched the internet and found the American Renegade service manual for sale, but it costs \$135.00 and the engine is different. Does anyone know where I can find the Brazilian version?

Here is the link to what I found:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Petitioner’s Exhibit 1024. The “link to what [fernandosousa] found” for the “American Renegade service manual for sale” includes the product ID associated with the Renegade Manual that is shown on the front of the CD\DVD and on the bottom of the computer screen after loading the CD\DVD and launching the Renegade Manual, “81-370-16028-CD.”

43. I utilized the Google search engine to retrieve this forum discussion, including fernandosousa’s forum post, and Google’s date entered shows that fernandosousa’s forum post was captured by Google on July 15, 2016, and was available to the interested public to search and view as of that date. Ex. 29. A true and correct screenshot of a Google search result for this first forum discussion, including fernandosousa’s forum post, is attached as Exhibit 29.

44. fernandosousa’s post in this forum discussion indicates that an “American Renegade service manual” was available and “for sale” for “U\$135,00”

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

no later than July 15, 2016, and, in particular, at the URL, “https://www.techauthority.com/en-us/products/81-370-16028-CD.”

**The Tech Authority Website
(https://www.techauthority.com/en-us/products/81-370-16028-CD)**

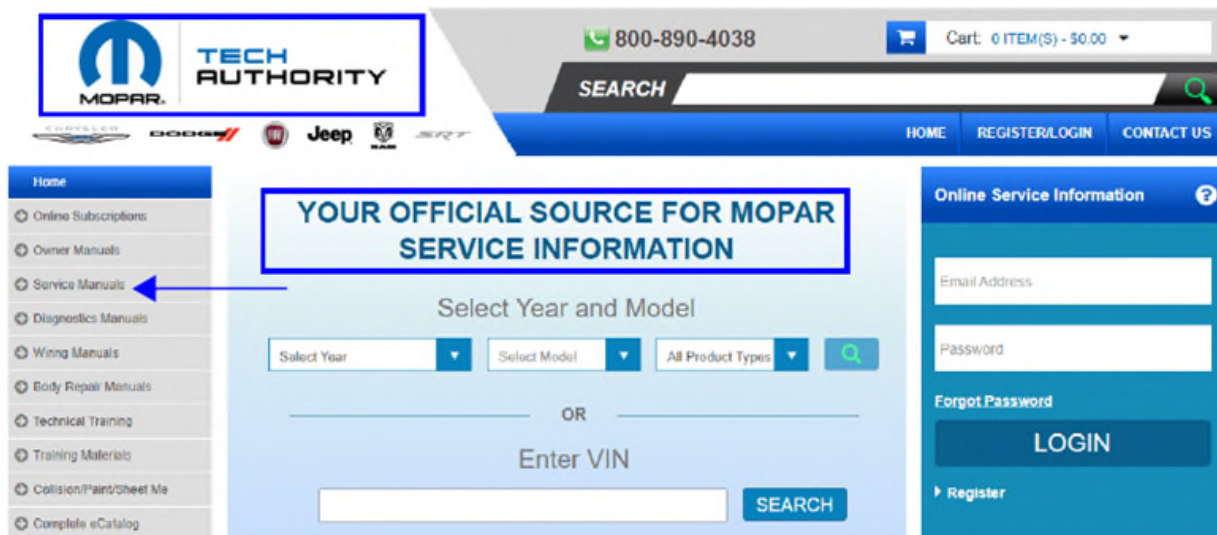

45. My research discussed above demonstrates that the service manual for the 2016 Jeep Renegade was publicly accessible at “https://www.techauthority.com/en-us/products/81-370-16028-CD” before May 3, 2017, including by as early as July 6, 2016, the date of Cruiser’s posts on two separate forum discussions on Renegade Forum. Ex. 1; Ex. 7.

46. I used the Internet Archive’s WayBack Machine to access websites having the URLs “https://www.techauthority.com/” and “https://www.techauthority.com/en-us/products/81-370-16028-CD.” The WayBack Machine is a service that makes it possible to browse web pages stored in the Internet Archive’s web archive. Visitors to the WayBack Machine can search archives by URL (i.e., a website address), and each archived web page is preserved as it existed at a particular point in time. If archived records for a URL are available, the visitor will be presented with a display of available dates. The visitor may select one of those dates, and begin browsing an archived version of the webpage. The Internet Archive assigns a URL on its site to the archived files in the format http://web.archive.org/web/[Year in yyyy][Month in mm][Day in dd][Time code in hh:mm:ss]/[Archived URL] aka an “extended URL.” Thus, the extended URL

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

<http://web.archive.org/web/19970126045828/http://www.archive.org/> would be the URL for the record of the Internet Archive home page HTML file (<http://www.archive.org/>) archived on January 26, 1997 at 4:58 a.m. and 28 seconds (1997/01/26 at 04:58:28). My research into the Tech Authority webpages further supports my conclusion that the Renegade Manual was publicly accessible before May 3, 2017.

47. First, attached at Exhibit 30 is a true and accurate copy of a screenshot of the Internet Archive’s record of the archived file for the URL, “<https://web.archive.org/web/20161009134631/https://www.techauthority.com/>,” on the date specified in the URL, October 9, 2016. I have excerpted a portion of that that web page below.

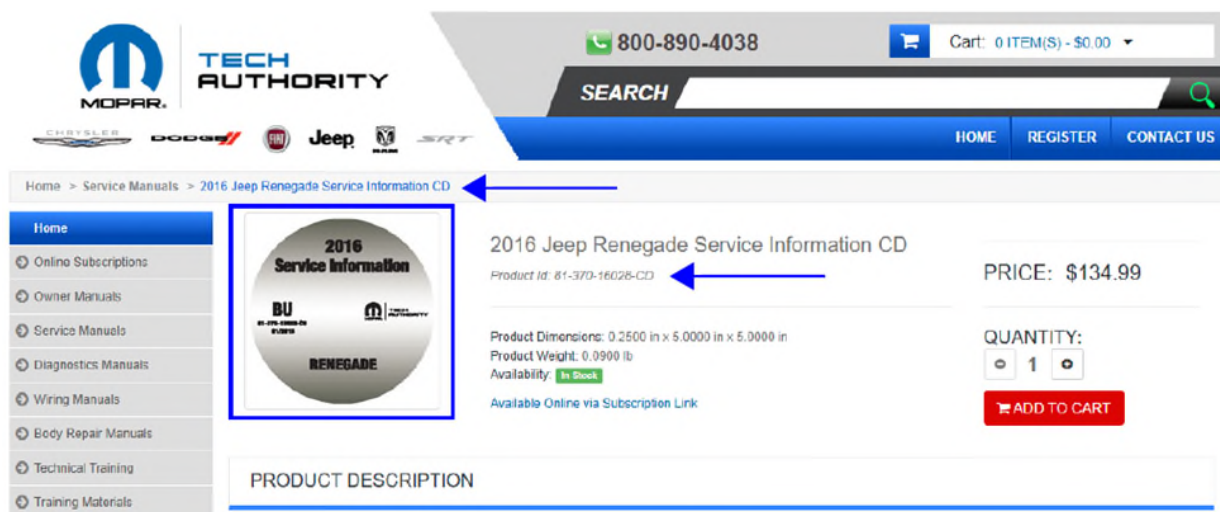

Ex. 30. As depicted Exhibit 30, in October 2016, “www.techauthority.com” stated that it was “YOUR OFFICIAL SOURCE FOR MOPAR SERVICE

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

INFORMATION,” and included the same logos for Mopar and Tech Authority as those shown on the front of the Renegade Manual CD/DVD and on the top of the computer screen after loading the CD/DVD and launching the Renegade Manual. Ex. 30. In October 2016, in the left hand column, www.techauthority.com also included an option to select “Service Manuals.” Ex. 30.

48. Second, attached at Exhibit 31 is a true and accurate copy of a screenshot of the Internet Archive’s record of the archived file for the URL, “https://web.archive.org/web/20171016174032/https://www.techauthority.com/en-us/products/81-370-16028-CD#expand,” on the date specified in the URL, October 16, 2017. I have excerpted a portion of that that web page below.

Ex. 31. As depicted in Exhibit 31, “https://www.techauthority.com/en-us/products/81-370-16028-CD,” the same URL link posted several times on forum discussions on Renegade Forum, Jeep Renegade Forum, and Jeep Renegade Clube in 2016, before May 3, 2017, includes (i) product name, “2016 Jeep Renegade

Declaration of Jodi Gregory – U.S. Patent Nos. 11,434,958 and 11,598,376

Service Information CD,” (ii) product ID, “81-370-16028-CD,” which is the same as the product ID associated with the Renegade Manual that is shown on the front of the CD\DVD and on the bottom of the computer screen after loading the CD\DVD and launching the Renegade Manual, (iii) the price, “\$134.99,” which is the same as the price identified by fernandosousa’s July 15, 2016 post in the forum discussion on Jeep Renegade Clube pointing to the same webpage; and (iv) an image of the CD\DVD available for purchase, which, as shown in image below on the left is the same as the Renegade Manual of Petitioner’s Exhibit 1013 as shown in the image below on the right.

Ex. 31 (left); Petitioner’s Ex. 1013, Renegade Manual at PET_AAM_1013-0001 (right).

49. For the foregoing reasons, based on my research in this matter, the Renegade Manual was publicly accessible before May 3, 2017, because interested

members of the public could have purchased and accessed the Renegade Manual with reasonable diligence if they so desired.

50. I have also been asked to evaluate the public accessibility of a webpage having the URL, “www.fst.com/Products/Special-Sealing-Products/Boots.” I used the Internet Archive’s WayBack Machine to access that URL. Petitioner’s Exhibit 1029 is a true and accurate copy of a screenshot of the Internet Archive’s record of the archived file for the URL, “<https://web.archive.org/web/20150405104200/http://www.fst.com/Products/Special-Sealing-Products/Boots>,” on the date specified in the URL, April 5, 2015. Based on my research in this matter, Petitioner’s Exhibit 1029 was publicly accessible before May 3, 2017, because interested members of the public could have accessed that webpage with reasonable diligence if they so desired.

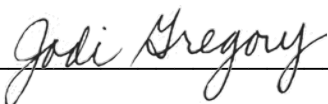

51. I have also been asked to evaluate the public accessibility of a webpage having the URL, “www.autocarpro.in/news-international/gkn-tier-supplier-develop-integrated-awd-8187.” I used the Internet Archive’s WayBack Machine to access that URL. Petitioner’s Exhibit 1033 is a true and accurate copy of a screenshot of the Internet Archive’s record of the archived file for the URL, “<https://web.archive.org/web/20150617070918/https://www.autocarpro.in/news-international/gkn-tier-supplier-develop-integrated-awd-8187>,” on the date specified in the URL, June 17, 2015. Based on my research in this matter, Petitioner’s Exhibit

1033 was publicly accessible before May 3, 2017, because interested members of the public could have accessed that webpage with reasonable diligence if they so desired.

52. I have also been asked to evaluate the public accessibility of a webpage having the URL, “www.greencarcongress.com/2014/10/20141007-gkn.html.” I used the Internet Archive’s WayBack Machine to access that URL. Petitioner’s Exhibit 1034 is a true and accurate copy of a screenshot of the Internet Archive’s record of the archived file for the URL, “<https://web.archive.org/web/20150911145858/https://www.greencarcongress.com/2014/10/20141007-gkn.html>,” on the date specified in the URL, September 11, 2015. Based on my research in this matter, Petitioner’s Exhibit 1034 was publicly accessible before May 3, 2017, because interested members of the public could have accessed that webpage with reasonable diligence if they so desired.

53. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

EXPERTISE

I specialize in assisting organizations in managing, storing, searching and tracking assets in a **centralized** digital space to ensure that:

- Documents are easily accessible and secure
- Content is centrally managed and available to all team members
- Files are systematically organized and easy to locate
- Content is compliant with regulatory and security standards

JODI GREGORY

With over two decades of expertise, Seek Information Services has evolved from providing online research services to specializing in assisting organizations in managing, storing, searching and tracking assets in a centralized digital space to ensure that: documents are easily accessible .

PROJECT EXPERIENCE

- Contracted to create document repository for government contract Required secret clearance.
- Perform prior art research and for intellectual property law firms
- Created and managed online learning platform and community for non-profit staff research.
- Provide daily, narrowly-focused intelligence briefings specific to the needs of executive management and company stakeholders, monitoring over 600 news stories.

WORK EXPERIENCE

Project Manager UES Information & Analysis Group

- Created and managed the centralized information resource center providing virtual reference services and business and military analysis to the US Air Force Material Command. Required Secret clearance.
- Coordinated the implementation of a business intelligence tracking system to manage Military intelligence gathered on over 200 companies and projects per year to assist in developing technology transfer and SBIR opportunities.

Account Development Executive Lexis-Nexis

- Hired for expertise in the healthcare field to assist and train physicians and attorneys in the retrieval of research needed for medical malpractice cases.
- Using a consultative selling approach, increased the development and growth of Nexis & Lexis accounts by encouraging clients to escalate their use the Lexis-Nexis search capability.
- Conducted customized Lexis-Nexis training sessions, both public and private, developed training and was a source of customer and competitive product support for current Lexis-Nexis clientele.
- Created new competitive product evaluations and distribution of information to sales team.

EDUCATION & AFFILIATIONS

- AS, Health Information Management
- Past President, Association of Independent Information Professionals
- Past Monthly columnist for Cyberskeptic's Guide to Internet Research published by Information Today
- Special Library Association
- Manager, IPX, Business intelligence information professionals exchange on LinkedIn
- Served as adjunct faculty member, Allied Health Informatics

HONORS

Recipient of the the Association of Independent Information Professionals (AIIP) Sue Rugge Memorial Award.

The award is given to a member of AIIP who has significantly helped another member or members through formal or informal mentoring.

I just purchased a 2015 Renegade Limited loaded, wrecked with just 2800 miles on it. I used to rebuild Liberties as a hobby but thought I'd get into these Renegades since they are new. I'll be rebuilding this one myself as well.

I saw another post about looking for a Service manual...I too am looking. Dealer said they access this information through web via Jeep headquarters; presently nothing available through techauthority.com, and I called to verify this. Neither can answer my question about if or when something will be available.

So other than "where can I locate service information", can anyone describe to me the procedure for resetting the "Fuel Shut-off triggered" condition?

The passenger side airbags deployed including the dash, side, and front seat. With regards to replacing the airbag in the seat, is there a method for this? Does it require replacing the complete seat back cover since it was torn when the airbag deployed, or can the seat cover be repaired by replacing a section?

I'm positive I'll be having more questions, but as I go through the process of rebuilding the Renegade I'll be gaining a lot of experience I'll be able to share with the forum community in the weeks and months ahead.

Thanks!

The fuel shut off triggered condition is covered on page 21 of my 2016 user guide. I would think it would be the same for the 2015. The owner's manual and the user guide can be downloaded free from www.jeep.com/en/owners/manuals. I got my Sport about 4 days ago so I'm certainly a newbie. Good luck with your rebuild.

Excellent! Thanks Cruiser for following up with this and letting me know. I was just a few days away from signing up to an annual subscription to Mitchell in order to get service information at a cost of around \$80 per month. I just received the DVD from techauthority and the information looks very good, it even has how-to videos which is more than Mitchell had.

I've been looking also. The only source I've found is Mitchell, excellent and detailed information, but costly also. I'm told that dealers are using Mitchell as well. I have not located any other source, including alldata.com and others. Seems like FCA is restricting information.

Does anyone know how I can get a service manual for the 2015 Jeep Renegade?

I have been told that it is currently web-based and accessible by dealer and other authorized service people. Is this true?

I've been looking also. The only source I've found is Mitchell, excellent and detailed information, but costly also. I'm told that dealers are using Mitchell as well. I have not located any other source, including alldata.com and others. Seems like FCA is restricting information.

I found the service manual on disc at techauthority.com. It's for the 2016 model which is essentially the same as the 2015. Here's the link:

Ya know, the price seems steep, but for a real service manual (not a Haynes*), it's about what they cost. I have a printed factory service manual for my motorcycle, it's over an inch thick and cost nearly that much a decade ago.

On the other hand, I do not have a service manual for my Suzuki GV--everything they have is online and heavily protected so only authorized dealers can access it. I've had to get what service info I need from a Suzuki forum with a couple of friendly techs. I'd kinda like to have a manual for the Jeep; I agree that CD is not the best, but if it's all they got, then...well, I do have an old laptop in the garage...

\$135 really isn't bad. My 97 eclipse manuals were only slightly cheaper than that. For my 2005 Subaru Legacy, they wanted over \$1100. They didn't get it. AND they weren't very good.

bwbike

I have the CD service manual for my Challenger and it's not bad (I'd still prefer a book if it had been available). You can print out pages if you need to have the reference in the garage.

I will buy the 2016 Renegade CD service manual if someone confirms that it is similar enough to my 2015. I'm thinking that not much changed other than the audio system and the plastic panels in the rear hatch area.

That's kinda where I am, atm. I need something so I can start to branch-away from the mods that come with detailed installation instructions, and just go to town on things myself. :/

I just ordered the CD for the 16, I have a 15, I'm betting there will be very few differences. Shipping is high \$12.28 UPS ground plus \$10.31 sales tax. I almost backed out because of the shipping cost.

I'll try to figure out the differences and post what I find.

I've owned several Honda's and a few GM's in the past and always bought HELM's factory service manuals for the vehicles.

Helm's doesn't offer any manuals on Jeep/Chrysler products so I was wondering if anyone could shed any light on this. Who offers factory service manuals for Jeep/Chrysler? I realize that since the Reney is new it could be some time before the books are published for it, but would also be interested in one for my '14 GC.

I will keep an eye out for a Haynes or Chilton for now, but have always found them a bit cheesy.

Service manuals for the Renegade are not yet available to the general public or to the dealers service center for that matter.

When they do become available you will find them here <https://www.techauthority.com/>

Anyone have any luck finding service manuals yet?

I checked <https://www.techauthority.com/> and nothing comes up yet.

I had excellent service manuals for my XJ and my Durango. Been itching to get my hands on ones for the Ren'.

Wow, you're right - I didn't even notice when I did my original search. I even tried a search with my VIN# - assuming that since I had a valid VIN, they'd know I was an actual owner. Nope - all the available "owner" manuals still had cost involved.

That's a shame...

Guess it's a good thing I've already got my physical copies and the PDF versions I downloaded last year when I originally brought my Ren' home...

Here's the service manual for the 2016 Renegade on disc. None for the 2015, but it's essentially the same as the 2016. Found on techauthority:

https://www.techauthority.com/on-us/products/81-370-16028_CD

Instructions for getting the printed copy of the owners manual are on the inside front cover of the user guide. Got mine yesterday (683 pages).

srvice manual

Although I'm very late to this thread I have found some useful information. If you sign up for a library card in your city through their website you should gain access to all Chilton repair guides via their online databases. and you can also print them out (I'm currently saving what I need to pdf because I bought a pdf on eBay, but it was missing the mysky removal section.) From what I've seen every city should be able to access this. I live in San Antonio and when I registered I got a 30day card number. when you access the database the first time you put in the card number and it lets you create a password then your in. Hope this helps someone...sure helped me.

Until he rides no more.

VIN# - assuming that since I had a valid VIN, they'd know I was an actual owner. Nope - all the available "owner" manuals still had cost involved.

That's a shame...

Guess it's a good thing I've already got my physical copies and the PDF versions I downloaded last year when I originally brought my Ren' home...

- Chris

Here's the service manual for the 2016 Renegade on disc. None for the 2015, but it's essentially the same as the 2016. Found on techauthority:

<https://www.techauthority.com/en-us/products/81-370-16028-CD>

Instructions for getting the printed copy of the owners manual are on the inside front cover of the user guide. Got mine yesterday (683 pages).

Hi cruiser66,

The service manual CD covers also the EU versions?

thx

Service manuals for the Renegade are not yet available to the general public or to the dealers service center for that matter.

When they do become available you will find them here <https://www.techauthority.com/>

Anyone have any luck finding service manuals yet?

I checked <https://www.techauthority.com/> and nothing comes up yet.

I had excellent service manuals for my XJ and my Durango. Been itching to get my hands on ones for the Ren*.

There's a good writeup on removing the rings here. It does not address removing the entire grille, just the trim rings.

I'm in the process of trying to remove my Latitude's grill for a little modification. I don't like frying blind when working on cars and really wish a tech manual was available somewhere other than a Jeep dealer. While feeling around for attachment points it occurred to me that maybe the Mopar aftermarket grill and mirror cap kits come with install instructions.

If the kits do come with install instructions and any one has purchased one would you be willing to scan in and then post here a copy of at least the exploded view of the bumper or better yet the install procedure?

Thanks,
-Jason

As long as I have a right arm and a left leg I'll drive a manual.

Manual de Serviço para Jeep Renegade

15/7/2016, 18:29

Querida muito ter o manual de serviço do Renegade, é o melhor jeito de resolver eventuais problemas no carro. Procurando na internet encontrei a venda o manual de serviço do Renegade estadunidense, mas custa US\$135,00 e a motorização é diferente. Alguém sabe onde acho o brasileiro?

Segue o link do que eu achei:
<https://www.techauthority.com/en-us/products/81-379-16028-CD>

Re: Manual de Serviço para Jeep Renegade

15/7/2016, 20:59

Também estou procurando, principalmente o wiring diagram, mas isso parece q nem nesse americano tem. Porém já seria uma mão na roda para fazer manutenção e inclusive encontrar possíveis causas de problemas...

Será que é muito diferente do brasileiro? Será que não prevê o nosso motor?

Será que rola de a gente fazer um rachid?

Re: Manual de Serviço para Jeep Renegade

16/12/2017, 19:23

É possível pagar apenas 24,95 dólares e ter acesso completo ao manual de serviço de todos os carros Jeep, Dodge, Chrysler e Ram?

A Mopar tem um site chamado Tech Authority que disponibiliza esse material e pode ser acessado a partir da compra do pacote de acesso por 1 dia. Existem pacotes mais longos também.

É só acessar o seguinte link, fazer o cadastro pagar e consultar a vontade e ainda tem a possibilidade de baixar ou imprimir o conteúdo. E praticamente todo o conteúdo está disponível também em português. Infelizmente não está disponível o esquema de cabeamento elétrico do Renegade, mas os diagramas elétricos estão.

<https://www.techauthority.com/en-us/products/?category=1>

Tem a opção de acessar uma demonstração do tipo de conteúdo disponibilizado.

O conteúdo roda em Java, então tem que estar instalado e funcionando. Eu não consegui acessar usando o Firefox, mas no Chromium funcionou legal (eu uso Linux como sistema operacional).

Esse conteúdo é essencial para quem quer ficar com o carro por bastante tempo e vai precisar dar manutenção. Tem os procedimentos recomendados pela montadora de como executar muitos procedimentos, desde manutenção básica até renovação e desmonte do motor, por exemplo. Tem também tabelas completas de valores de torque de aperto de parafusos.

O triste de ter essas informações é ver que muitas vezes até as concessionárias não seguem procedimentos como recomendados pela engenharia da montadora, lamentável.

Re: Manual de Serviço para Jeep Renegade

30/7/2020, 22:12

Esse manual de serviço que está disponível na net refere-se aos carros de 2016 a 2018. Encontraram ou sabem onde tem o manual de serviço de 2019 pra frente?

PRODUCT DESCRIPTION

The information contained within the disc you are purchasing is time sensitive.
The disc contains the most current data available at the time of publication and will not contain future updates.
The data is provided on an 'AS IS' basis without warranties of any kind. The disc may not perform in all operating systems.
Please reference this site for a complete list of supported operating systems.

This CD is NOT compatible with MAC operating systems. Only Windows operating systems and Internet Explorer are supported. This comprehensive service information provides the resource that the professional technician needs to diagnose/troubleshoot, maintain, service, and repair a FCA Group vehicle in a web-like format. A complete working knowledge of the vehicle, system and/or components is written in straightforward language with illustrations, diagrams and charts. The information is specific to a vehicle(s) and includes: Repair procedures that highlight step-by-step removal and installation instructions for vehicle components and include line art drawings to aid in component service. Diagnostic procedures to aid in the diagnosis of electrical and mechanical systems, DTCs, and symptom-based concerns. IT DOES NOT CONTAIN THE TRADITIONAL WIRING DIAGRAM INFORMATION. It does contain the wiring information relevant to a diagnostic trouble code (DTC) in the diagnostic procedure for the specific DTC.
