Claim construction discovery cut-off	November 21, 2024
Claim construction opening brief	December 6, 2024
Claim construction responsive brief	December 20, 2024

Counsel may not modify these dates without leave of court. The parties shall comply with

¹ After this deadline, a party may still seek amendment, but must demonstrate good cause. Fed. R. Civ. P. 16(b)(4).

1 the Court's standing orders, which are available at <https://cand.uscourts.gov/judges/tigar-jon-s-jst/>.

2 The parties shall meet and confer regarding the format, scope, and content of both the
3 tutorial and the claim construction hearing, including but not limited to the permissible subjects of
4 discussion at each, whether experts will testify, and what audio-visual equipment, if any, will be
5 needed by the parties. They also shall exchange copies of any audio-visual material at least **ten**
6 **court days** before they intend to use it in court, and shall bring any disputes regarding the format,
7 scope, or content of any tutorial or hearing to the Court's attention at least **five court days** before
8 the tutorial or hearing. The Court will deem as waived any objection raised less than five court
9 days before the tutorial or hearing. The parties shall lodge hard copies of their presentation
10 materials with the Court on the day of the tutorial or claim construction hearing.

11 The Court will reserve no more than two hours on its calendar for the tutorial, including a
12 brief recess. The tutorial will not be reported by a court reporter.

13 At claim construction, the Court will construe only the terms the parties identify in their
14 Joint Claim Construction and Prehearing Statement as "most significant to the resolution of the
15 case up to a maximum of 10." Patent Local Rule 4-3(c). The Court will reserve no more than two
16 hours and on its calendar for the claim construction hearing, including a brief recess. The Court
17 prefers that the parties proceed term-by-term, with each party providing its views on each term
18 before moving on to the next. The Court's use of time limits means that the parties may not have
19 the opportunity to present oral argument on every term they have submitted for construction, and
20 the parties should prioritize their presentations accordingly.

21 The parties must take all necessary steps to conduct discovery, compel discovery, hire
22 counsel, retain experts, and manage their calendars so that they can complete discovery in a timely
23 manner and appear on the noticed and scheduled dates. All counsel must arrange their calendars
