

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

LIFESCAN, INC., SENSEONICS HOLDINGS, INC., and
ASCENSIA DIABETES CARE HOLDINGS AG,

Petitioners,

v.

CELLSPIN SOFT, INC.,

Patent Owner

IPR2025-00102 (Patent 11,234,121 B2)

**JOINT REQUEST TO TREAT AS CONFIDENTIAL AND KEEP
SEPARATE PURSUANT TO 37 C.F.R § 42.74(C)**

Petitioners LifeScan, Inc., Senseonics Holdings, Inc., and Ascensia Diabetes Care Holdings AG, together with Patent Owner Cellspin Soft, Inc. (collectively, the “Parties”), through their respective counsel of record, jointly request that the Board treat the Parties’ settlement agreements as business confidential information, and keep such agreements separate from the files of the involved patent and this proceeding. A true and correct copy of the settlement agreements, as referenced in the accompanying Joint Motion to Terminate, is filed concurrently herewith as Exhibits 1037 and 1038, as “Parties and Board Only.”

The rules governing this proceeding provide that, upon request, settlement agreements shall be maintained as business confidential information:

A party to a settlement may request that the settlement be treated as business confidential information and be kept separate from the files of an involved patent or application. The request must be filed with the settlement. If a timely request is filed, the settlement shall only be available:

- (1) To a Government agency on written request to the Board; or
- (2) To any other person upon written request to the Board to make the settlement agreement available, along with the fee specified in § 42.15(d) and on a showing of good cause.

37 C.F.R. § 42.74(c).

The Board approved the filing of this joint motion during a teleconference with the Parties on June 25, 2026. Therefore, the Parties jointly request that the settlement agreements (Exhibits 1037 and 1038): (1) be treated as business

confidential information, (2) be maintained separate from the publicly available file of the involved patent and this proceeding, and (3) be made available only to Federal Government agencies on written request, or to persons showing good cause on written request, pursuant to 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(c).

Due to the confidential nature of the settlement agreements, in the event that a third party submits a written request to the Board for a copy of the settlement agreement(s) along with a purported showing of good cause, the Parties request that they be notified of the third party request and be given the opportunity to respond thereto.
