Dear Honorable Board,

I write on behalf of Patent Owner and all Petitioners in the above-referenced IPR proceedings to notify the Board that all parties have reached agreement on settlement.

Pursuant to the terms of the parties' settlement agreements, the parties jointly and respectfully request permission to file motions to terminate all three IPR proceedings in accordance with 35 U.S.C. § 317. If permitted, the parties are prepared to file the motions to terminate today.

Given the upcoming oral argument scheduled for this Tuesday, June 30, and the deadline to file demonstrative exhibits tomorrow, June 26, the parties also jointly and respectfully ask that the Board stay all procedural deadlines and events while the Board considers the parties' motions to terminate.

The parties are available for a conference call to discuss these requests with the Board during the following times:

- Today (Thursday) - any time
- Tomorrow (Friday) - any time before 2:00pm ET tomorrow

Respectfully submitted,
Charles McMahon
Counsel for Petitioners
