

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

JUMIO CORP.,
Petitioner,

v.

FACETEC, INC.,
Patent Owner.

Case No. IPR2025-00107
U.S. Patent No. 11,157,606

PATENT OWNER'S REQUEST FOR ORAL HEARING

The Board tentatively scheduled an oral hearing for this proceeding for March 17, 2026. Paper 18. Pursuant to 37 C.F.R. § 42.70(a), Patent Owner requests oral hearing on the instituted grounds of unpatentability, disputed claim constructions, any procedural and/or evidentiary issues, and any other issues that may affect the Board's determination in this proceeding. Patent Owner also requests oral hearing on any issues raised by Petitioner in its Request for Oral Hearing.

This is one of four IPRs on related patents that are tentatively scheduled for argument on the same day. Patent Owner proposes that the Board hold a single consolidated hearing to address the issues in all four proceedings. If the Board orders a consolidated hearing, Patent Owner requests that Petitioner and Patent Owner each be allotted 120 minutes of argument time. If the Board schedules any hearing to last a different length than proposed, however, Patent Owner requests that each party be given half the length of the hearing for argument.

Pursuant to the Scheduling Order, Patent Owner further requests the Board conduct the hearing at the USPTO headquarters in Alexandria, Virginia. *See* Paper 18 at 7. Patent Owner asks that three spaces be reserved for counsel at counsel's table, and that three additional spaces be reserved in the hearing room to accommodate additional counsel and corporate representatives. Patent Owner also requests that three attorneys at Patent Owner counsel's table be allowed to use

computers.

Respectfully submitted,

Dated: February 3, 2026
