Overview

Aarti Samani is an entrepreneur and a keynote speaker

Vision:

Aarti's vision is to inspire and lead organisations towards a future where artificial intelligence not only drives business success but also fosters a more equitable and inclusive society.

Expertise:

Aarti is an executive leader, who's expertise lies in commercialising AI based products, and leading organisations to scale internationally.

Services:

Aarti delivers the whole suite of speaking services at industry events, company conferences, client summits, invite only events for senior leaders and universities.

* Keynotes

* Fireside chats (as host or guest)

* Panels (as moderator or panelist)

* Podcasts (as host or guest)

* Workshops

* Masterclasses

* Consultancy

Speaking topics include (but are not limited to):

~ AI-Led Growth: The new paradigm of business success

~ Navigating Generative AI: Essential insights for board members and C-suite executives

~ AI Enhanced Workforce: Preparing managers for tomorrow

~ CAIRe: Corporate AI Responsibility

~ Inspiring Inclusion Through AI: Creating an equitable society

Background:

Over her career, Aarti has delivered tremendous value in corporates such as Microsoft, Nomura and UBS Warburg. She has led high growth scale-up businesses such as iProov, SwiftKey and Digital Surgery through funding rounds, international expansion and acquisitions.

Incorporating AI-Led Growth in business strategy, she helps leaders to achieve their goals with focus and at pace. Having worked in various sectors including digital identity, financial services, medtech, Aarti's work is sector-agnostic, and relevant for all business areas.

* Do you find yourself overwhelmed by the AI hype, and wondering what to do next?

* Are you too cautious? or not cautious enough? Struggling to balance AI risk with growth?

* Are you doing enough to leverage Artificial Intelligence for your business growth? Or falling behind already?
