

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

MIRACOR MEDICAL SA,

Plaintiff,

v.

ABBOTT LABORATORIES AND
THORATEC LLC,

Defendants.

Civil Action No. 1:23-CV-16257

Hon. Judge Sunil R. Harjani

Hon. Magistrate Judge M. David Weisman

ORDER TO TEMPORARILY STAY CASE DEADLINES

WHEREAS, in this lawsuit filed on November 27, 2023, Plaintiff Miracor Medical SA asserts that Defendants infringe six patents, U.S. Patent Nos. 11,351,356, 11,351,357, 11,376,415, 11,572,879, 11,674,517, and 11,754,077 (the “Asserted Patents”).

WHEREAS, Defendants Abbott Laboratories and Thoratec LLC (collectively, “Abbott”) have filed petitions for *Inter Partes* Review (“IPR”) of the Asserted Patents (collectively, the “Abbott IPRs”).

WHEREAS, on February 4, 2025, the Court granted Abbott’s motion for a partial stay of proceedings pending resolution of Abbott’s IPRs and set parameters for the Parties’ ongoing discovery.

WHEREAS, in the interest of judicial economy and to conserve the Parties’ resources, the Court finds that good cause exists and it is ordered that the motion is GRANTED and it is further ORDERED that:

1. Unless otherwise set forth in this Order, further proceedings are stayed and all remaining deadlines, such as final contentions, claim construction exchanges, and claim construction briefing, as set forth in Dkt. 67-1, are vacated until the Patent Trial and Appeal Board (PTAB) issues institution decisions for the *inter partes* reviews (IPR) addressing each of the following U.S. Patents Nos. 11,351,356, 11,351,357, 11,376,415, 11,572,879, 11,674,517, and 11,754,077.
2. Following the PTAB's institution decisions for Abbott's IPRs, the Parties shall meet and confer and file a joint status report which will state the Parties' positions with respect to whether the stay imposed by the Court in its February 4 Order should be lifted, continued, or modified, including any proposals for resetting the deadlines that have been vacated. The joint status report shall be due no later than 14 calendar days after the PTAB's last institution decision on any of the Abbott IPRs.

IT IS SO ORDERED this 13 day of February, 2025.

M. David Weisman
United States Magistrate Judge
