

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

MICRON TECHNOLOGY, INC.,
Petitioner

v.

YANGTZE MEMORY TECHNOLOGIES COMPANY, LTD.,
Patent Owner

Case No.: IPR2025-00118
U.S. Patent No. 10,879,164

PETITIONER'S REQUEST FOR ORAL ARGUMENT

Pursuant to 37 C.F.R. § 42.70 and the Board’s Scheduling Order dated June 10, 2025 (Paper No. 23), Petitioner Micron Technology, Inc. (“Petitioner”) requests Oral Argument on issues related to the patentability of claims 1-14 of U.S. Patent No. 10,879,164 B2.¹

Petitioner requests to present arguments on the following issues:

- All grounds on which trial was instituted, including all issues raised by the parties’ papers;
- Any issue raised by either party in a motion to exclude (if any), objections to demonstrative exhibits (if any), or any other motion or paper filed by either party before oral argument;
- Rebuttal to any issue raised by either party in its presentation at the oral argument; and
- Any additional issue on which the Board seeks clarification.

¹ While the hearing date in this IPR will remain unchanged, Petitioner notes that the parties have conferred and have respectfully requested the Board to move the hearing for IPR2025-00117 to March 11th, March 13th, or if those two date are not available, March 12th. Currently, the -00117 argument is set for March 3, 2026. Resetting this date will align the hearing with the hearings for IPR2025-00118, 00189, which are both set for March 12th.

Petitioner requests that oral argument be conducted in person. Petitioner requests a total of 60 minutes of argument time, inclusive of any rebuttal time Petitioner wishes to reserve at the hearing. Petitioner also requests the ability for non-presenting individuals to remotely view the oral argument. In its Scheduling Order dated June 10, 2025 (Paper No. 23), the Board set Oral Argument for March 12, 2026. Petitioner is available on that date.

Petitioner also respectfully requests the ability to use audio-visual equipment to display demonstratives and exhibits.

Dated: January 28, 2026

Respectfully submitted,

/Jeremy Jason Lang/
