Dear Honorable Board,

Nike, Inc. writes with a recent update concerning the subject patent – U.S. Pat. No. 8,266,749 ('749 patent). On May 5, 2026, the Federal Circuit granted Nike's motion to dismiss its appeal from the Board's FWD in IPR2024-00460. In that FWD, the Board found all claims of the '749 patent to be unpatentable. That decision is now final. As a result, Nike requests that the Board terminate IPR2025-00141 as moot. Petitioner does not oppose.

Please let us know if we can provide any additional information.

Best regards,
Michael J. Sebba (Reg. No. 75,595)
