Item description from the seller

Really cool retro original 1980s size 7 and 1/2 men's suede leather shoes in excellent condition for their age...there are some small discrepancies please look closely at all pictures so you can see them. They still have a lot of life in them.
Notes..
Pictures of five and six show some lines in the leather. Picture 8 shows a little bit of white paint on the side of the shoe. Picture nine shows the original size tag that was originally inside the shoe also shows how clean they are on the inside and on the sides. Picture 15 shows that one of the shoes is a little bit yellowish on the bottom as you can see the other one is more white.
