Feel closer to your

loved one

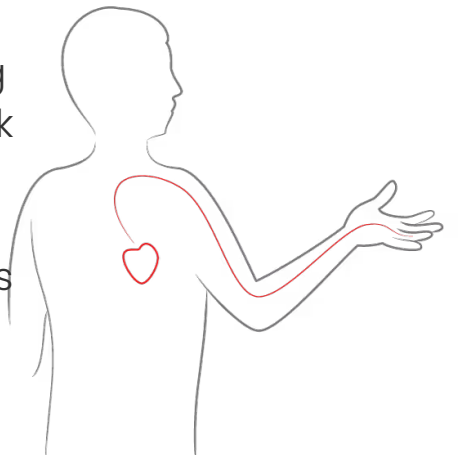

loved one

See and feel heartbeat of your loved one on your ring. HB Ring.

New Page in Jewelry History

The ancient tradition of wearing rings on fourth finger dates back 6000 years, as people believed that **Vena Amoris** is directly connected to the heart and thus connects together two hearts.

Join over 1 billion people embracing the ancient tradition of the Vena Amoris. We elevate this tradition with the revolutionary HB Ring.

HB Ring transforms jewelry history by connecting hearts through the most precious sensation—the heartbeat of a loved one.

Smart. Precious. Unique.

What people

say

The feedback and stories we received from you.

"Having now received my HB Rings, I proposed to my girlfriend earlier this month; she said yes!!!"

Chris V.

"I am beyond words! I opened it like an eager child on Christmas morning. They are gorgeous! I've not stopped talking about them!"

Kathrenn W.

"As a military spouse and being separated from my SO for long periods of time, I love to feel his heartbeat every moment I can."

Susan G.

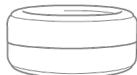

"My partner works in EMS and every time I say good bye, I say "keep my heart with you". These are priceless and couldn't be more fitting for us as a symbol of our love!"

Alexis C.

“Never actually wore
or owned a ring
prior to this, but the
whole idea of it was
too good to pass up.”

Rachel B.
