RESUME

EXPERIENCE

Technology Expert for Patent Infringement

September 2001 – Present

Providing world-class expertise and experience in working with leading law firms, providing expert witness services, prior art searching, and related consulting for patent infringement, trade secret disputes, and related matters. Among areas of expertise are DSP, telecommunications, cellular networks, packetized networks, VoIP, streaming systems, real-time systems, timing and synchronization in cellular and other networks, location and position systems, transcoding between links and networks having multiple timing sources and data rates, source coding, channel coding, error control coding, algorithms, speech and audio processing, signal compression, speech coding, encryption, algorithms, software, hardware and implementation. Served as expert witness in several cellular network and smartphone / tablet device related cases, including network operation, protocols, layers, signal processing, user / human interface, protocols and applications including mobile and web applications. Served as expert witness & consultant for law firms and clients including Alston & Bird, AZA Law, BakerHostetler, Cooley Godward Kronish, Comcast, Cummins, Dechert, Echelon, Fenwick & West, Fish & Richardson, Google, Hill Kertscher & Wharton, Kirkland & Ellis, MagicJack, Sidley Austin, Weir & Partners, Woodcock & Washburn, Microsoft, Nokia, Parts Geek, Samsung, Saint Lawrence Communication, Toshiba, TruePosition, Williams & Connolly, and Wiav.

Compendent, Inc., Los Altos Hills CA

February 2001 – Present

Starting and running a small startup company developing for outsourcing of DSP R&D and implementation, and licensing intellectual property. Developing technologies for various communication networks, including cellular network, satellite network, telephone networks, packetized networks, and military networks. R&D and implementations of technologies related to streaming-media systems. DSP contracts for SignalCom (Microsoft company) and the Department of Defense (DoD, DARPA, NATO). The company's hardware and/or software products were evaluated, tested by and/or integrated into systems by major industry leaders including General Dynamics, EADS, Boeing, Lockheed Martin, Northrop Grumman, Raytheon, Rockwell Collins, Rohde & Schwarz, L-3 Comm., etc.. Led the software & hardware design including component selection. DSP hardware and software. R&D and implementation DSP projects - low-rate speech coder, noise cancellation, echo cancellation, and communication for wireless applications and streaming media applications for environments that include various timing synchronizations, error control coding (such as FEC), modem (various modulations), etc.. Voice communication product development for cellular networks, wireless networks, packetized networks, VoIP, satellite

communication, military and security radio devices, etc.. Exploring advanced robust positioning methods that combined methods such as GPS and cellular network signals.. Developing proprietary timing and synchronization solution for links and systems with multiple data timings. Development and implementation of adaptive algorithms, networking protocols, multi-tasking, embedded systems, timing and synchronization, etc..

Developed Compandent's Website, and has extensive experience in Web site development, and network protocols, including Wordpress and plugins, Google Analytics and Google Advertisements, including incorporating Google and other third party code that uses cookies and working with Google Analytics and Google Search Console.

Inventor of a patent for transmission of signals over degraded channel such as cellular network, and packetized network. The company developed, manages the production, and sells line of proprietary electronic boards and standalone devices, or can be embedded in other devices or systems having different timing sources, in synchronous and asynchronous links.

DSP Communications, Israel,

January 1994 - September 1995

- Title: *Speech Coding Group Leader*

DSPC is a cellular technologies manufacturer of cellular phone chipset that includes the cellular network interface and the voice compression. R&D and implementation of a proprietary multi-rate speech coder at 4-8 kbps at floating-point and fixed-point. Leading the DSP development and implementation of PDC's PSI-CELP and VSELP standards, and noise cancellation & echo cancellation, on the company's DSP chipset (including FEC, and modem/modulation, masked on TI's TMS320c54x). Developing and implementation of a noise-canceller for digital-cellular phone. The PDC chipset has become the flag ship of the company. Oded's contribution was the key in turning DSPC, from a poor company (in term speech coding expertise) in 1994, into a very successful one, leading to a \$1.6 billion acquisition by Intel.

Optibase - VCON, Israel,

April - December 1993

- Title: *Audio Group Manager*

Optibase/VCON is a manufacturer of streaming-media systems. Managing and leading DSP audio team in implementation of DSP video-teleconferencing and streaming multi-media system that combined G.728, G.722, and AEC. R&D and implementation of a proprietary Acoustic-Echo-Canceller (AEC) for teleconferencing. The company developed and sold its self developed teleconferencing electronic boards.

AT&T Bell Labs, Murray Hill,

January - September 1992

- Title: *DSP Consultant*

M.Sc. degree research, and thesis writing, in the Signal Processing Research Department.

Vibration Specialty Corporation: Philadelphia, PA, January 1991 - August 1995

- Title: *DSP Consultant – Real-Time DSP Software*

Development and implementation of the real-time DSP software for the SpectraViB, a 4-channel spectrum analyzer and data collector. The company developed and sold its self developed teleconferencing electronic boards.

Efrat - Comverse Technology, Israel,

October 1989 - September 1990

- Title: *DSP Engineer of Trilogue voice mail system for telephone & cellular networks*
 - Implemented interface with telephone network.
 - Designed and implemented DSP algorithms (speech coding, echo cancellation, telephone, DTMF, etc.) using the Texas-Instruments TMS320c25, and the NEC μ PD77p25 processors.
 - Managed the **hardware-software integration** cooperating with the hardware engineers and the upper software's programmers.

Computers

- IBM PC (under Windows 7, Win XP, Win 2000, Win NT, Win 3.1, DOS and Linux), SUN (under Unix/Solaris), Android, and Apple OS / iOS.
- Programming: C++, C, PASCAL, FORTRAN, various DSP Assembly codes,
- PC system manager of the Signal Compression Laboratory at UCSB,
- Computer networking,
- Programming of Data-Base applications,
- Programming of Internet protocols, sockets, TCP-IP, etc.,
- Programming of distributed systems, and embedded systems,
- Programming Android application, and iOS (iPhone, iPad)
- Web site programming including HTML, XML, JAVA, CGI, etc..

EDUCATION

Post-Doctoral Research, Univ. of CA Santa Barbara January 2001 – March 2002

- **Title: Post Doctoral Researcher**
Researching in the area of Voice-over-Internet Protocol (VoIP), and issues of packetized networks.
- **Ph.D. - University of California at Santa Barbara,** October 1995 – Fall 2000
Electrical and Computer Engineering Department,
Santa Barbara, CA 93106, USA
 - Ph.D.: Oct 1995-2000
 - Graduate Student Researcher: Supervised by **Prof. Allen Gersho**
 - Ph.D. Research: “*Analysis-by-Synthesis Waveform Interpolative Coding of Speech at Low Bit Rates*”
- **M.Sc.E.E. - Drexel University,**
Electrical and Computer Engineering Department,
32nd and Chestnut Sts. Philadelphia, PA 19104, USA
 - Master of Science: Oct 1992; **Cum Laude, GPA: 4.0**
 - M.Sc. Thesis: “*Low Delay CELP Wide Band Speech Coding at 32 kbps*”.
 - The research was performed in **AT&T Bell Labs, Murray Hill.**
- **B.Sc.E.E. - Ben-Gurion University,**
Electrical and Computer Engineering Department,
P.O.box 653 Beer Sheva 84105, Israel
 - B.Sc.: June 1988; **Cum Laude, GPA: 3.6; Class Standing: Top 3%**

- Electrical Engineer (Majors: DSP, Communications, and Computers)
- Dean's List: 1987-8, 1986-7 and 1985-6
- B.Sc. Senior Project: "*A Speaker-Independent Speech Recognition System based on Dynamic Time Warping and HMM*".

AWARDS

- ✓ **Ericsson-Nokia Best Paper Award** for the paper: "Enhanced Waveform Interpolative Coding at 4 kbps" by Oded Gottesman and Allen Gersho, *IEEE Workshop on Speech Coding*, Finland, 1999.
- ✓ Drexel University: **Cum Laude** for M.Sc.E.E. study, June 1992.
- ✓ The Knesset (**The Israeli Parliament**) -The Education and Culture Committee: Honor for B.Sc.E.E. study, 1988.
- ✓ Ben-Gurion University: **Cum Laude** for B.Sc.E.E. study, June 1988.
- ✓ Ben-Gurion University: **Dean's List**: 1987-8, 1986-7 and 1985-6.

PRIZES

- ✓ **Compandent Technologies - Winner of the Business Plan Competition** of the Center for Entrepreneurship & Engineering Management (CEEM) at UCSB.

PATENTS

- International patents in the area of speech coding, and transmission over degraded channel such as cellular networks and packetized networks.

ACTIVITIES

- IEEE Senior Member- Signal Processing Society, and Communications Society
- Paper peer review

OTHER EDUCATION & EXPERIENCE

- Selected business courses
- Entrepreneurship,
- Marketing campaigns including, strategy development, Internet based methods, concepts, and advertising material preparation,
- Sales, including correspondence, agreement negotiation and closing deals, customer support.
- Hardware and software project management,
- Study and analysis of new problems and technologies,

Dr. Oded Gottesman

Main Cases:

1. AT&T vs. Microsoft (Microsoft, Woodcock Washburn, Philadelphia, PA) , 2001 - 2004

UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF NEW YORK, 01 Civ. 4872 (WHP), Patent No. 32,580

In that case I was star witness, and prepared several expert reports, claim charts, and other documents. I have also analyzed the products and the patents, and consulted Microsoft's law firm. Two long non-infringement depositions taken by Attorney Frank Pietrantonio of Cooley Godward, who recommended his firm to hire me some time later for another case. I was the star witness in that case. They settled the case the night before my scheduled testimony in NYC Federal Court, in a great favor to their client.

2. Lucent vs. Microsoft (Microsoft, Fish Richardson, San Diego, CA) , 2003 - 2004

On behalf of Microsoft. In that case I was expert, analyzed the products and the patents, consulted Microsoft's law firm, provided analysis, discussions, consulting, claim charts, and other documents.

3. Nokia vs. Kyocera (On behalf of Kyocera, Cooley Godward LLP, Palo Alto, CA) , 2004 - 2005

In that case I was expert, analyzed the patents, consulted Kyocera's law firm.

4. TruePosition Inc. vs. Andrew Corp. (TruePosit., Woodcock Washburn, Philadelphia, PA) 2006 - 2010

US District of Delaware, C.A. No, 05-00747-SLR, Patent No.: 5,327,144

On behalf of Trueposition related to U-TDOA based cellular telephone location patent infringement case. Jury found that Andrew Corp. (represented by Kirkland & Ellis John Desmarais' team) has willfully infringed TruePosition's patent, granted TruePosition full damages, and rejected Andrew's "fraud" counter claim. Provided (infringement) court testimony, depositions, expert reports, declarations, patent analysis, claim chart, hardware & software analysis etc.. The case was related to cellphone location using U-TDOA location calculation applied to control channel signals.

5. Ericsson vs. Samsung (on behalf of Samsung, KIRKLAND & ELLIS LLP) , 2006 – 2007

Investigation No. 337-TA-583

On behalf of Samsung. Involved several speech coding patents related to 3GPP AMR vocoder. Provided consulting several discussions with Samsung attorneys KIRKLAND & ELLIS LLP.

6. Qualcomm vs Nokia (on behalf of Nokia, Alston & Bird LLP, Atlanta GA) , 2006 – 2007

05-cv-2063 (S.D. Cal.)

Prior art search, discussions with attorneys. Case was settled.

7. WiAV vs. RIM et. Al. (WiAV, Hunton & Williams (WDC & VA), later Echelon, SF, CA) , 2008-2009

3:08-cv-485 (E.D. Va.)

Provided discussions to WiAV attorneys.

8. ShopNTown vs. Landmark (Landmark, Woodcock Washburn, Philadelphia, PA) , 2009

2:08-cv-564 (E.D.Va.),. Patent No. 6,968,513.

Provided code review, discussions, consulting, expert report, and deposition on behalf of Landmark.
Case was settled.

9. U.S. Auto Parts Network, Inc. vs. Parts Geek, LLC , (Parts Geek , Weir & Partners) , 2009 – 2010

2:09-cv-4609 (C.D. Cal.)

Copyright case. Analyzed software and provided consulting, and non-infringement rebuttal expert report. Court ruled in favor of the defendant Parts Geek.

10. Apple vs. Nokia (on behalf of Nokia, Alston & Bird LLP, Atlanta GA) , 2010 – 2011

United States International Trade Commission (ITC) (DC) - Investigation No. 337-TA-710

Provided discussions and consulting, expert report, deposition, and court testimony (non-infringement).

11. eTool vs. National Semiconductor , (eTool, Woodcock Washburn, Philadelphia, PA), 2010 – 2011

EASTERN DISTRICT OF TEXAS, MARSHALL DIVISION Civil Action No.: 2:08-cv-196. Patent No. 7,113,919.

Provided discussions and consulting, source code review, expert report. Deposition (infringement), and declarations.

12. High Point SARL vs. Sprint et al. , (High Point, Dechert / BTKM, LLP), November 2010 - 2014

U.S. District Court, DISTRICT OF KANSAS (Kansas City), CIVIL DOCKET FOR CASE #: 2:09-cv-02269-CM – DJW.

In that case I provided source code review, prepared several expert reports, claim charts, witness statements, and other documents. I have also analyzed the products and the patents, and consulted High Point SARL's law firm.

13. Triangle vs. Garmin, TomTom, and VW (on behalf of Triangle/BTKM), November 2010 - 2011

US District Court, Eastern District of Virginia, Alexandria Division, 1:10CV1457 , CMH/TCB

In that case I was deposed and testified on validity and infringement, and prepared several expert reports, claim charts, and other documents. I have also analyzed the products and the patents, and consulted Triangle's law firm. The case was related to location, route navigation using best route, maps database, and 3D maps.

14. Microsoft vs. Barnes & Noble (Microsoft, Woodcock Washburn, Philadelphia, PA), 2011 - 2012

United States International Trade Commission (ITC) (DC) - Investigation No. 337-TA-769, Patent Nos. 6,891,551, and 6,339,780.

In that case I testified, was deposed, and prepared several expert reports, claim charts, witness statements, and other documents. I have also analyzed the products and the patents, and consulted Microsoft's law firm.

15. MOSAID TECHNOLOGIES INC. vs. SONY ERICSSON MOBILE COMMUNICATIONS (USA), INC. and HTC AMERICA, INC. (Hill, Kertscher & Wharton, LLP on behalf of MOSAID), 2012- 2013, US District of Delaware, C.A. No.: 11-598-SLR

In that case I was deposed (infringement), and prepared several expert reports, claim charts, witness statements, and other documents. I have also analyzed the products and the patents, and consulted Mosaid's law firm. The case was related to smart-phone placing emergency call that includes its location report.

16. TruePosition, Inc. v. Polaris Wireless, Inc., Civ. Action No. 1:12-cv-00646 (D. Del.); Polaris Wireless, Inc. v. TruePosition, Inc., Case No. IPR2013-00323 (PTAB), 2013-2014, infringement testifying expert (provided source code review, and deposed).

17. Core Wireless Licensing S.A.R.L v. Apple, Inc. Case No. 6:12-CV-100, 2013-2014, testifying expert (provided source code review).

18. NetTalk.com, Inc. v. magicJack Vocaltec Ltd., et al, Case No. 9:12-cv-81022, 2014-2015, the United States District Court for the Southern District of Florida.

19. Toshiba Corp: Andrea Electronics, Corp. v. Toshiba Corp. et al. Investigation No. 337-TA-949 (ITC), 2015-2016 (provided source code review, and deposed (non-infringement))

20. Google: Callwave. v. Google (C.A. No. 12-cv-1701-RGA) (Delaware), (case settled)

21. FASTVDO LLC,. v. AT&T MOBILITY LLC, et al.. Consolidated Case No.: 16-cv-385-HWVG, (source code review, and infringement reports)

22. Comcast, Nagra v. Comcast , BakerHostetler (preliminary consultation)

23. 2016-2017 Saint Lawrence Communications LLC,: Saint Lawrence Communications LLC,. v. Motorola Mobility et al. Case No. 2:15-cv-000349-JRG (Lead Case), (deposed and testified on validity)

24. 2017-2018 Saint Lawrence Communications LLC,: Saint Lawrence Communications LLC,. v. Apple Inc.. Case No. 2:16-cv-00082-JRG, (invalidity rebuttal reports, and deposed on validity), and Case: IPR2016-01075, Case: IPR2017-01077, Case: IPR2017-01244
25. 2017-Present Saint Lawrence Communications LLC,: Ex Parte Reexamination, Reexamination of Patent No.: 6,807,524 Control No. 90/13-894, Reexamination of Patent No.: 6,795,805 B1, Control No. 90/13-921 (Invalidity rebuttal)
26. 2017-2018 Bytemark Inc., LLC,: Bytemark Inc.,. v. Masabi Ltd., Meredith & Keyhani, PLLC, Case No. 2:16-cv-00543-JRG-RSP, US District Court, Eastern District of Texas, Marshall (invalidity rebuttal report, IPR responses on invalidity, deposed and testified), and Case IPR2017-01449
27. 2018 Salazar,: Salazar vs. HTC, Meredith & Keyhani, PLLC, Case No.2:16-CV-1096-JRG-RSP, US District Court, Eastern District of Texas, Marshall (invalidity rebuttal report, deposed, testified)
28. 2018 MAG AEROSPACE INDUSTRIES, INC. vs. AVEOX, INC., Superior Court of the State of California and for the County of Los Angeles, Case No. BC629619 (rebuttal report regarding aerospace electric circuitry's design, functionality, and compatibility)
29. 2018-2019, retained by Google, Williams & Connolly LLP, Warren Lex LLP, Koninklijke Philips N.V. v. Acer, Inc, Acer America Corporation, ASUSTek Computer Inc., ASUS Computer International, and Google LLC, Nos. 15-1125 through 15-1128, 15-1130, 15-1131, 15-1170 (D. Del.) (case settled)
30. 2018-2020 Saint Lawrence Communications LLC, EVS Codec Technologies, LLC vs. Huawei, ZTE and LG regarding infringement of the VoiceAge patents by the EVS codec.
31. 2018-2020 . ECT: EVS Codec Technologies ("ECT") vs Huawei, (Case No. 2:18-cv-00346-JRG) In the United States District Court for the Eastern District of Texas, Marshall Division.
32. 2018-2020 , ECT: EVS Codec Technologies ("ECT") vs LG Electronics (Case No. 2:18-cv-00344-JRG) In the United States District Court for the Eastern District of Texas, Marshall Division.
33. 2018-2020 , ECT: EVS Codec Technologies ("ECT") vs ZTE Corporation (Case No. 2:18-cv-00344-JRG) In the United States District Court for the Eastern District of Texas, Marshall Division.
34. 2018-2019 , ECT: Sony Mobile Communications Inc. v. EVS Codec Technologies, LLC; (Case No. 1:18-cv-09518-JSR;) In the United States District Court for the Southern District of New York (case settled).
35. 2018-2020 , ECT: LG Electronics Inc. v. Saint Lawrence Communications LLC (Case No. 1:18-cv-11082-DLC) In the United States District Court for the Southern District of New York.
36. 2018-2020, ECT: Vivo vs. EVS Codec Technologies ("ECT"), invalidity rebuttal consulting, case in China.

37. 2019—Present, **AFFILIATED INDEPENDENT: EVENT PARTNERS, INC. v AFFILIATED INDEPENDENT** Arb. No. 01-18-0001-9342, Excel document macro source code review, and expert report regarding trade-secret.

39. 2019—2021, **GUEST-TEK INTERACTIVE: NOMADIX, INC., v. GUEST-TEK INTERACTIVE ENTERTAINMENT LTD.**, Case No.:CV16-08033 AB (FFMx), in The United States District Court For The Central District of California Western Division (Patent infringement, submitted declarations, deposed and testified), invalidity and non-infringement expert.

40. 2019—2020, **UNILOC: UNILOC 2017 LLC, v. NETFLIX, INC.**, Case No. SACV18-02055-GW (DFMx), United States District Court Central District of California (Southern Division - Santa Ana), infringement expert.

41. 2019-2020, **HP INC.: SUPER INTERCONNECT TECHNOLOGIES LLC, v. HP INC.**, Case No.: C.A. No. 19-169 (CFC), in The United States District Court For The District of Delaware, invalidity and infringement expert.

42. 2019-2021, **Salazar,; Salazar vs. AT&T, Sprint et al., Meredith & Keyhani, PLLC**, Civil Action No. 2:20-cv-4, US District Court, Eastern District of Texas, Marshall (infringement and invalidity rebuttal reports, deposed and testified)

43. 2019-2021, **Saint Lawrence Communications LLC,; Saint Lawrence Communications LLC, v. Amazon**. Case: Case No. 2:19-cv-00027-JRG, US District Court, Eastern District of Texas, Marshall (invalidity rebuttal report, and deposed on validity)

44. 2020-2022, **Google: Lenovo Group LTD. (Hong Kong S.A.R.), v. Google Inc., INTERNATIONAL COURT OF ARBITRATION INTERNATIONAL CHAMBER OF COMMERCE ICC** Case No. 25550/PDP (non-coverage of agreement, declarations, reports, testimony online in front of ICC judges panel)

45. 2021-Present, **Crystal Clear Codec, LLC, v. LG Electronics et. al, Alavi & Anaipakos, PLLC /AHMAD, ZAVITSANOS, ANAIPAKOS, ALAVI & MENSING P.C.**, Case No. 6:21-cv-375. US District Court, Western District of Texas, Waco Division. (invalidity rebuttal)

46. 2021-Present, **ByteMark Inc., v. XEROX Corp. et. al, Keyhani LLC**, Case No. 1:17-cv-01803-PGG-KNF. US District Court, Southern District of New York. (infringement, and invalidity rebuttal)

47. 2023-2024, **FLYPSI, INC. vs GOOGLE LLC, Paul Hastings, LLP., CIVIL ACTION NO. 6:22-cv-00031-ADA**, US District Court, Western District of Texas, Waco.

2025-Present, **Rocket Media, LLC d/b/a Launch Labs v. Fullthrottle Technologies, LLC**, Case No 2025-00148 and **Rocket Media, LLC d/b/a Launch Labs v. Fullthrottle Technologies, LLC**, Case No 2025-00149 (IPR declaration)

2025-Present, **Pointwise Ventures, LLC v. Inter IKEA Systems BV**, No. 2:24-cv-188 & Inter partes review of U.S. Patent No. 8,471,812

2025-Present, Language Technologies, Inc. v. Microsoft Corporation, Case No. 4:23-cv-00520-RCC (IPR declaration)

Litigation Cases Which I Have Testified or Deposed as an Expert

1. In November, 2003, I was deposed in AT&T Corp. v. Microsoft Corp., 01-CV-4872 (WHP) (2001) (on behalf of Microsoft).
2. In January, 2007 I was deposed in TruePostion Inc. v. Andrew LLC, 05-747-SLR. In September, 2007, I testified in court as an expert in that case (on behalf of TruePosition). In February 2010, I was deposed in a subsequent related case (Civil Action No. 09-669-SLR).
3. In August, 2009 I was deposed in ShopNTown, LLC v. Landmark Media Enterprises, LLC, 2:08-cv-000564 (E.D. VA) (on behalf of Landmark).
4. In March 2011, I was deposed in Apple v. Nokia, United States International Trade Commission (ITC) (DC) - Investigation No. 337-TA-710. In April, 2011, I testified in the ITC court as an expert in that case (on behalf of Nokia).
5. In July – September 2011, I was deposed in Triangle vs. Garmin, TomTom, and VW), 1:10CV1457 , CMH/TCB (on behalf of Triangle). In October-November 2011, I testified in court as an expert in that case (on behalf of Triangle Software).
6. In November 2011, I was deposed in eTool Development, Inc. v. National Semiconductor Corp., 2:08-cv-196 (E.D. Tex.) (on behalf of eTool).
7. In December, 2011, I was deposed in Microsoft Corp. v. Barnes & Noble, United States International Trade Commission (ITC) (DC) - Investigation No. 337-TA-769 (2001). In February, 2012, I testified in the ITC court as an expert in that case (on behalf of Microsoft).
8. In May 2013, I was deposed in Mosaid Technologies Inc. vs. Sony Ericsson Mobile Comm. (USA), Inc. and HTC America, Inc., C.A. No.: 11-598-SLR. (on behalf of Mosaid)
9. In 2014 I was deposed in TruePosition, Inc. v. Polaris Wireless, Inc., Civ. Action No. 1:12-cv-00646 (D. Del.); Polaris Wireless, Inc. v. TruePosition, Inc., Case No. IPR2013-00323 (PTAB), testifying expert (deposed on infringement).
10. In January 2016, I was deposed in Andrea Electronics, Corp. v. Toshiba Corp. et al. Investigation No. 337-TA-949 (ITC) (on behalf of Toshiba)
11. In January-March 2017 Saint Lawrence Communications LLC,: I was deposed and testified on invalidity rebuttal in Saint Lawrence Communications LLC,. v. Motorola Mobility et al. Case No. 2:15-cv-000349-JRG (Lead Case).

12 In February-2018 I was deposed on invalidity rebuttal in Saint Lawrence Communications LLC,: Saint Lawrence Communications LLC,. v. Apple Inc.. Case No. 2:16-cv-00082-JRG, (invalidity rebuttal reports, and deposed on validity), and Case: IPR2016-01075, Case: IPR2017-01077, Case: IPR2017-01244

13. In May 2018 I testified and in February 2018- I was deposed on invalidity rebuttal in: Salazar vs. HTC, Meredith & Keyhani, PLLC, Case No.2:16-CV-1096-JRG-RSP, US District Court, Eastern District of Texas, Marshall (invalidity rebuttal report, deposed)

13. In June 2018- I was deposed on invalidity rebuttal in: Bytemark Inc., LLC,: Bytemark Inc.,. v. Masabi Ltd., Meredith & Keyhani, PLLC, Case No. 2:16-cv-00543-JRG-RSP, US District Court, Eastern District of Texas, Marshall (invalidity rebuttal report, IPR responses on invalidity, deposed), and Case IPR2017-01449
