

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ROCKET MEDIA, LLC d/b/a LAUNCH LABS,
Petitioner

v.

FULLTHROTTLE TECHNOLOGIES, LLC,
Patent Owner.

Case No. IPR2025-00148

Patent No. 11,556,947

PATENT OWNER'S NOTICE OF APPEAL

To the Director of the United States Patent and Trademark Office,

Under 35 U.S.C. §§ 141(c)-144 and 319, and 37 C.F.R. §§ 90.2–90.3, notice is hereby given that Patent Owner FullThrottle Technologies, LLC (“Patent Owner”) appeals to the United States Court of Appeals for the Federal Circuit from the Final Written Decision of the Patent Trial and Appeal Board (“the Board”) in case no. IPR2025-00148, entered on June 9, 2026 (Paper No. 23), and from all underlying findings, orders, decisions, rulings, and opinions decided adversely to Patent Owner in the above-captioned proceeding. A copy of the Final Written Decision is attached.

For the limited purpose of providing the Director of the United States Patent and Trademark Office (“the Director”) with the information requested under 37 C.F.R. § 90.2(a)(3)(ii), Patent Owner submits that the appeal will address all aspects of the Board’s decision decided adversely to Patent Owner, including without limitation whether the Board erred in construing and applying the claim terms and whether the Board erred in concluding that Petitioner has demonstrated, by a preponderance of the evidence, that claims 1-20, of U.S. Patent No. 11,556,947 are unpatentable. In particular and without limitation, this appeal will address issues including whether claims 1-20, are unpatentable as obvious under 35 U.S.C. § 103 over the combinations of U.S. Patent No. 8,898,074 B2 (“Doughty”) and European Patent Application No. 2938045 A1 (“Van Boucq”);

and Doughty, Van Boucq, and U.S. Patent No. 10,311,465 B2 (“Maginnis”) including the Board’s consideration of the teachings of these references and expert testimony, the use of expert testimony where the prior art fails to teach a claim limitation, and the use of expert testimony and other evidence in the record.

This Notice of Appeal is timely filed with the Director. 37 C.F.R. § 90.3(a)(1), (b)(1). Pursuant to 35 U.S.C. § 142 and 37 C.F.R. § 90.2(a)(1), this Notice is being filed with the Director, and a copy of this Notice is being concurrently filed with the Board. In addition, a copy of this Notice is being filed with the Clerk of the United States Court of Appeals for the Federal Circuit, along with the applicable filing fee, via CM/ECF and pay.gov.

Patent Owner’s counsel’s contact information is provided below.
