

<i>Examiner-Initiated Interview Summary</i>	Application No. 17/306,776	Applicant(s) Ambroziak et al.		
	Examiner IGOR N BORISSOV	Art Unit 3649	AIA (First Inventor to File) Status No	Page 1 of 1

All Participants (applicant, applicants representative, PTO personnel)	Title	Type
IGOR N BORISSOV	Primary Examiner	Telephonic
Carson C.K. Fincham; Reg. No.: 54,096	Attorney of Record	

Date of Interview: 27 February 2023

Issues Discussed:

Proposed Amendment(s)

During the Interview, the amendment after final of 02/23/2023 has been discussed. The Examiner noted that independent claim 11, 18 and 25 have an allowable limitation of “a graphical input slider element by which an amount of charge may be specified”. The Examiner further noted that the independent claim 32 has different scope than the claims 11, 18 and 25, because claim 32 does not recite said “slider” element. Accordingly, changes to claim 32 were deliberated to simplify issues for further consideration. Finally, the agreement was reached and Applicant gave authorization for the Examiner Amendment to amend the claims and, thereby, place the claims into the condition of allowance.

/IGOR N BORISSOV/ Primary Examiner, Art Unit 3649	
Applicant is reminded that a complete written statement as to the substance of the interview must be made of record in the application file. It is the applicants responsibility to provide the written statement, unless the interview was initiated by the Examiner and the Examiner has indicated that a written summary will be provided. See MPEP 713.04 Please further see: MPEP 713.04 Title 37 Code of Federal Regulations (CFR) § 1.133 Interviews, paragraph (b) 37 CFR § 1.2 Business to be transacted in writing	

Applicant recordation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.

Examiner recordation instructions: Examiners must summarize the substance of any interview of record. A complete and proper recordation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recordation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
