Dear Board

Both parties have reviewed the Final Written Decisions in IPR2025-00167 through IPR2025-00171, IPR2025-00381, and PGR2025-00016, and we do not find any material subject to protective order therein disclosed. Therefore, the parties agree that there is no need for a Motion to Seal these decisions and the Final Written Decisions can be made public. Please let us know if the Board requires anything further from the parties.
