Subject: Inv. No. 337-TA-1414 | Infineon's Case Narrowing Disclosure

Counsel,

Per our email agreement to provide notice by today, Infineon hereby notifies Innoscience of the following case narrowing. Infineon will be withdrawing the following claims from the Investigation:

- Claim 9 of U.S. Patent No. 9,899,481
- All claims of U.S. Patent No. 8,264,003

Infineon maintains all other asserted claims that were addressed in its opening expert reports.

To conserve ALJ resources in connection with the forthcoming *Markman* order, Infineon intends to notify the ALJ today that it is withdrawing the '003 Patent from the investigation and that the claim construction disputes relating to '003 patent terms are now moot.
