

UNITED STATES PATENT AND TRADEMARK OFFICE

BEFORE THE PATENT TRIAL AND APPEAL BOARD

ARM LTD., MEDIATEK INC.,
Petitioners,

v.

DAEDALUS PRIME LLC,
Patent Owner.

Case IPR2025-00207
Patent No. 8,984,228

**JOINT MOTION TO TERMINATE PROCEEDING AS TO
PETITIONER MEDIATEK INC.**

Petitioner MediaTek Inc. (“MediaTek”) and Patent Owner Daedalus Prime LLC (“Daedalus Prime”) have entered into a settlement agreement that resolves all underlying disputes between Petitioner MediaTek and Patent Owner Daedalus Prime.

In an email dated October 16, 2025, the Board authorized the parties to file a joint motion to terminate as to Petitioner MediaTek and a joint request to treat the settlement agreement as business confidential information. Ex-1026. In accordance with 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74(b), a true copy of the settlement agreement between Petitioner MediaTek and Patent Owner Daedalus Prime made in connection with, or in contemplation of, the termination of this proceeding is included with this request. *See* Ex-1025. The agreement ends all patent disputes between Petitioner MediaTek and Patent Owner Daedalus Prime, including this IPR proceeding with respect to Petitioner MediaTek. *Id.*

Petitioner MediaTek and Patent Owner Daedalus Prime jointly request that the Board terminate this proceeding with respect to Petitioner MediaTek. MediaTek and Patent Owner Daedalus Prime note that granting this motion will not result in termination of the proceeding in its entirety, because Petitioner Arm Ltd. is not requesting termination. Pursuant to 35 U.S.C. § 317(a), “[a]n inter partes review . . . shall be terminated with respect to any petitioner upon the joint request of the petitioner and the patent owner, unless the Office has decided the merits of the proceeding before the request for termination is filed.” Termination is appropriate as

to Petitioner MediaTek because the Board has not yet decided the merits of this *inter partes* review. Trial was instituted on September 25, 2025 (Paper 15); however, Patent Owner Daedalus Prime has not yet filed a Patent Owner's Response and a Final Written Decision is not due until September 25, 2026, one year from institution.

The '228 Patent is subject to the following pending lawsuits in which Petitioner MediaTek is not a party:

- *Daedalus Prime LLC v. Google LLC*, No. 7:25-cv-00313 (W.D. Tex.).
- *Daedalus Prime LLC v. Marvell Tech., Inc.*, No. 7:25-cv-00413 (W.D. Tex.).

The lawsuit involving the '228 Patent where Petitioner MediaTek was a party, *Daedalus Prime LLC v. MediaTek Inc.*, No. 2:24-00235 (E.D. Tex), was terminated on May 22, 2025.

No other party's rights would be prejudiced by the termination of this *inter partes* review as to Petitioner MediaTek. Petitioner Arm Ltd. does not oppose this motion and remains active in this proceeding. Accordingly, Petitioner MediaTek and Patent Owner Daedalus Prime respectfully request that the Board grant this Joint Motion to Terminate as to Petitioner MediaTek.

Respectfully submitted,
