Counsel,

Petitioner MediaTek and Patent Owner Daedalus Prime LLC are authorized to file a joint motion to terminate the proceeding as to MediaTek. The motion to terminate should explain why termination is appropriate and provide the status of any related district court cases or USPTO proceedings with respect to all parties. The parties should be mindful of the requirements set forth in 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74, that any agreement, including any collateral agreement, between the parties made in connection with the termination of the proceeding must be in writing and a fully executed copy must be filed with the Board as an exhibit to the motion to terminate. The parties also are authorized to file a request to treat the settlement agreement as business confidential information and to file the settlement agreement as "Parties and Board Only." Please refer to the procedures set forth in 37 C.F.R. § 42.74(c).

Subject: IPR2025-00207: Arm Ltd v. DAEDALUS PRIME LLC

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Dear Board,

Co-Petitioner MediaTek, Inc. seeks the Board's authorization to withdraw from IPR2025-00207. Before the Director granted Director Review (Paper 14) and the Board's Decision to Institute (Paper 15), MediaTek and Patent Owner Daedalus Prime LLC settled their dispute. MediaTek did not join the request for Director Review (*see* Paper 15 at 1, n.1; Paper 12 at 1) and now seeks to withdraw as co-Petitioner and requests guidance on whether to do so by filing a motion to withdraw or a joint motion to terminate.

Thank you,

Alexander Boyer, Backup Counsel for Petitioner MediaTek, Inc.
