Subject: IPR2025-00220 hearing date

Counsel:

Patent Owner's request for oral argument (Paper 24) includes a request to move the date from April 7th to a different day. Petitioner's request for oral argument (Paper 25) does not oppose Patent Owner's request, but requests oral argument be scheduled for April 15th due to unavailability during intervening days.

Due to scheduling constraints, April 15th is unavailable for oral argument. The morning of April 22nd is available for oral argument. Counsel should respond to this email indicating their availability for the morning of April 22nd.

Regards,

Andrew Kellogg,
