IPR2025-00225 (Pat. No. 9,730,805)

IPR2025-00226 (Pat. No. 8,460,385)

To the Honorable Board,

Patent Owner in the above-referenced IPRs respectfully requests a conference call in order to request authorization to file a Motion to Amend Due Dates 1 and 2 due to an inadvertent docketing error, and in order to allow for adjudication of these important matters on the full merits. The docketing error was related to a change of firm by lead counsel.

Patent Owner would propose amending Due Dates 1 and 2 as follows:

Due Date 1 (Patent Owner's Response Only): October 28, 2025 (Original: October 14, 2025)

Due Date 2 (Petitioner's Reply Only): January 20, 2025 (Original: January 6, 2025)

All other dates to remain unchanged.

Patent Owner has conferred with counsel for Petitioner, and Petitioner's position is as follows: Petitioner opposes this requested extension, which requires a showing of "good cause" under 37 C.F.R. § 42.5. The alleged "docketing error" is Patent Owner's failure to track the deadline plainly laid out in the Combined Scheduling Order (Paper 10), which Petitioner does not believe constitutes "good cause."

Counsel are available as follows for a conference call:

October 14: anytime after 1:00 pm ET

October 15: generally anytime

October 16: generally anytime

October 17: 9:00-11:00 am ET, and anytime after 2:00 pm ET.

Best regards,
