Subject: RØDE Microphones, LLC, et al. v. Zaxcom, Inc., IPR2025-00231 - Request to correct citation in Request for Director Review

To the Honorable Director;

It has recently come to Petitioners' attention that there is an inadvertent error in one of the citations in our September 2, 2025 Request for Director Review. Specifically, on page 14 line 10, the brief says:

“And as Mr. Wilson explained, the call never even happened. *Id.*”

The sentence instead should read:

“And as Mr. Wilson explained, the call never even happened. Ex. 1041, ¶12.”

See *supra*, highlighted text.

The correct citation is already of record in the case, since it appears on pp. 3 and 7 of

Petitioners' June 5, 2025 Response to Patent Owner's Motion to Terminate (Paper 20).

Petitioners respectfully request leave to file a corrected Request for Director Review in which the above-referenced sentence refers to Ex. 1041, ¶12 as indicated above. Patent Owner has indicated that it does not oppose.

Regards,

Michael A. Fisher
