To the Board,

Pursuant to prior Acting Director Stewart's September 16, 2025 Memorandum entitled "PTAB consideration of prior findings of fact and conclusions of law" and the September 20, 2025 General Order filed in the above-referenced cases (Paper 25 in each case), the Parties jointly submit this notice that the Claim Construction Order ("Order") was issued on November 17, 2025 in the related district-court proceeding, Zaxcom, Inc. V. RØDE Microphones, LLC, et al., No. 1:23-cv-1245-JFM (D. Del.). A copy of the Order is attached.

The Order includes agreed upon claim constructions for the following terms at issue in the -00230 and/or -00232 IPRs: local timecode, jam synchronize, timestamp, and header.

The Order also construes terms disputed by the Parties that are potentially relevant to the present IPRs, including: "master timecode generator," "master timecode(s)," "wearable," "local audio device wearable by a creator of said locally generated audio," "body pack," "transmitting...audio data," "audio data" "stamped local audio data," "unstamped local audio data," "remote control unit," "personal computer," "local timecode generator," "identifier," "track identifier," "SMPTE compliant timecode," "multi-track data file/multi-track audio file," "locally generated audio," and "control unit."

The Parties acknowledge that the Order is not binding on the Board. The Parties respectfully reserve all rights to address the relevance, weight, and applicability of the District Court's constructions in all future briefings.
