Dear PTAB panel:

Petitioners herein submit the following errata chart to correct certain transcription errors in the May 6, 2026 Hearing Transcript (Papers 42 & 40) in IPR2025-00248 and IPR2025-00249, respectively. We have contacted Patent Owner, and they do not oppose this submission.

Page	Line	Correction
10	23-24	Change “not a specification” to “not in the specification”
11	19	Change “to be clear and ambiguous” to “to be clear and unambiguous”
12	4-5	Change “to distinguish Hung2 relevant” to “to distinguish Huang2 as

		relevant”
23	4	Change “spin a line of collagen” to “spin aligned collagen”
24	7	Change “I hadn’t anticipated” to “I had anticipated”
26	5	Change “it didn’t matter” to “it did matter”
27	5	Change “one peaks are on two peaks” to “one peak are not two peaks”
34	16	Change “that was unprovisional” to “that was provisional”
34	21	Change “the acclaimed subject matter” to “the claimed subject matter”
37	8	Change “the SPESS” to “the specification”
38	17	Change “wouldn’t combine Huang2 and Kuo” to “would combine Huang2 and Kuo”
76	17	Change “a statement in Ayers. Corporate and patent says the larger peaks report principal axis of alignment” to “a statement in Ayres incorporated into the patent and says the larger peaks report principal axis of alignment”

Subject: Embody, Inc. v. LifeNet Health, IPR2025-00248 & -249

Dear PTAB panel:

Pursuant to the Order Setting Oral Argument (IPR2025-00248, Paper 33; IPR2025-00249, Paper 32), we write regarding a modification to the schedule for serving demonstratives on opposing counsel in IPR2025-00248 and IPR2025-00249. Petitioners and Patent Owner have agreed to a date of Wednesday, April 29 for the service of demonstratives. Petitioners and Patent Owner respectfully request this modification to the schedule.

Best regards,

Howard W. Levine

Counsel for Petitioners, and with authorization of Amanda Wieker, counsel for Patent Owner
