Subject: IPR2024-01357, IPR2025-00260, and IPR2025-00258 – Savant, et al. v. Feit Electric
Date: Tuesday, April 22, 2025 6:14:27 PM

Dear Honorable Board,

Pursuant to 37 C.F.R. § 42.10(e), Patent Owner hereby requests authorization from the Board to file a motion to substitute lead and back-up counsel in IPR2024-01357, IPR2025-00260, and IPR2025-00258. Patent Owner's existing counsel, as well as all of Petitioners' counsel, are copied on this message.

Specifically, Patent Owner requests permission to file a motion to appoint Charles M. McMahon as lead counsel and Thomas DaMario as back-up counsel and to withdraw counsel of record from the law firm Carter Arnett Bennett & Perez PLLC as counsel in the above-referenced inter partes reviews. Patent Owner's new counsel meet the requirements of 37 C.F.R. § 42.10(c) as lead counsel and registered practitioners. Furthermore, Mr. McMahon and Mr. DaMario are involved with the related district court litigation and familiar with the issues surrounding the patent at issue.

In identifying and designating new counsel who are ready and able to take over the representation, reasonable steps have been taken to "avoid foreseeable prejudice to the rights of the client, including giving due notice to [the] client, [and] allowing time for employment of another practitioner." See 37 C.F.R. § 10.40(a). Further, Patent Owner believes that granting this request will not hinder the economy, the integrity of the patent system, the efficient administration of the Office, or the ability of the Office to timely complete this proceeding. See 35 U.S.C. § 316(b). No scheduling orders have been entered in the above-referenced inter partes reviews and no extensions of time will be sought by substitute counsel based on new counsel taking over the representation.

With the Board's permission, Patent Owner will submit a motion to substitute lead and back-up counsel, updated mandatory notices, powers of attorney for new counsel.

Patent Owner has confirmed with Petitioner that it does not oppose this request.

Best regards,
