Subject: IPR2025-00260 and IPR2025-00258 – Savant, et al. v. Feit Electric - Reply in Support of Request for Discretionary Denial

CAUTION: This email has originated from a source outside of USPTO. PLEASE CONSIDER THE SOURCE before responding, clicking on links, or opening attachments.

Dear Honorable Board,

Patent Owner respectfully requests permission to file reply briefing in support of its Requests for Discretionary Denial in the subject proceedings (see IPR2025-00260, Paper 13 and IPR2025-00258, Paper 13). Good cause exists to allow reply briefing in order to address *inter alia* the denial of stay in the Elong and Longstar Petitioners' district court case and the stipulations made by Petitioners, both of which occurred after Patent Owner filed its Requests on April 24, 2025. Petitioners consented to the requested reply briefing in their opposition briefing (see IPR2025-00260, Paper 14 at 22 and IPR2025-00258, Paper 14 at 11).

Best regards,
