Subject: RE: Request for Director Review (IPR2024-001357, IPR2025-00260) - Not considered
Date: Friday, April 24, 2026 4:34:00 PM

Counsel,

Patent Owner's request for Director Review of the Board's Order denying Patent Owner's Motion to Terminate in the above-identified proceedings (see IPR2025-01374, Papers 69, 72) is improper. See 37 C.F.R. § 42.75(a) ("the Director may review any decision on institution under 35 U.S.C. 135, 314, or 324, any final decision under 35 U.S.C. 135, 318, or 328, any decision granting rehearing of such a decision, or any other decision concluding a proceeding brought under 35 U.S.C. 135, 311, or 321"). Patent Owner's request for Director Review will, therefore, not be considered.

IPR2025-00260
Ex. 3104

Thanks.

Subject: Request for Director Review (IPR2024-001357, IPR2025-00260)

CAUTION: This email has originated from a source outside of USPTO. **PLEASE CONSIDER THE SOURCE** before responding, clicking on links, or opening attachments.

Director Review:

Attached please find a courtesy copy of the Request for Director Review that we filed today on behalf of the Patent Owner in consolidated IPR2024-01357 and IPR2025-00260.

This request is timely pursuant to 37 C.F.R. §§ 42.75(c)(1) and 42.71(d)(1) because it is filed within 14 days after the Board's Order denying Patent Owner's motion to conclude this inter partes review proceeding brought under 35 U.S.C. § 311. Further, the Board's conclusion that **only** the Director has authority to provide the remedy Patent Owner seeks provides good cause for seeking Director Review at this time pursuant to § 42.75(c)(1). Accordingly, Patent Owner respectfully requests that the Director grant Director Review.

Respectfully submitted,
Charles McMahon
Counsel for Patent Owner
