Counsel,

The parties are authorized to file a joint motion to terminate the proceeding. The parties should be mindful of the requirements set forth in 35 U.S.C. § 317(b) and 37 C.F.R. § 42.74 that any agreement between the parties made in connection with the termination of the proceeding must be in writing and a copy must be filed with the Board. To the extent that the parties wish to maintain some level of confidentiality for such an agreement, please refer to the procedures set forth in 37 C.F.R. § 42.74(c).

With respect to having the settlement agreement treated as business confidential under 37 C.F.R. § 42.74(c), the parties should file the confidential settlement electronically in P-TACTS as an exhibit as set forth in the response to frequently asked question #G2 in the document found at: [https://www.uspto.gov/sites/default/files/documents/p\\_tacts\\_faqs\\_20240723.pdf](https://www.uspto.gov/sites/default/files/documents/p_tacts_faqs_20240723.pdf).

Dear Board,

We represent Petitioner Koki Holdings America Ltd. in IPR2025-0261, IPR2025-0262, IPR2025-0263, and IPR2025-0264.

The parties have reached a confidential agreement that settles their disputes with respect to the challenged patents at issue in the above-identified IPR proceedings. For each proceeding, the parties request permission to file (1) a joint motion to terminate the proceeding and (2) a joint request to treat their settlement agreement (to be filed with the motion to terminate) as confidential business information and to keep it separate.

Counsel for both parties are copied on this e-mail.

Regards,  
Amol
