Re: IPR2025-00289 – Imperative Care, Inc. v. Inari Medical, Inc.

Dear PTAB Trials,

In the above-captioned IPR, the panel issued an Amended Scheduling Order (Paper 24) on January 8 amending Due Date 8 (oral argument) from March 18, 2026 to March 25, 2026. Counsel for Petitioner has a foreseeable and irreconcilable conflict with the amended Due Date 8. Counsel for Petitioner will be in trial in *Aortic Innovations LLC v. Edwards Lifesciences Corp.* CA No. 23-158 (D. Del.) (MN) on March 25.

Consistent with the Amended Scheduling Order (Paper 24), the Parties met and conferred to discuss alternative dates. The Parties propose the following alternative dates for oral argument:

- Wednesday, April 15, 2026, or
- Thursday, April 16, 2026.

Both parties are available for oral argument on these dates.

Counsel for Patent Owner is copied on this email. Please let me know if the Board needs any additional information from the parties.

Best Regards,
